## benior Girls Receive Positions

Competing against forty other applicants for six openings in the Wachovia Bank & Trust Company in Raleigh, three senior Williams, girls----Joyce Shirley Creech, Frances Carroll-were given three of these positions, the work to begin June 1.

Joyce and Frances accepted the offer. Joyce will work in the Credit Department doing typing, filing, and various office work. Frances will work in the Bookkeeping Department. operating a proofing machine.

### EXCELLENT RECORDS

The head of the Personnel Department stated that the girls had "excellent school records."

Commercial adviser, Mrs. Laurine Lassiter, attributes their gaining these positions to their interest in business education.

Five girls applied for work with this bank and all five were given interviews. Shirley, Joyce, and Frances were called back for a second interview.

#### APPLICANTS

They were told that they were selected from among the 40 applicants because of their school records and recommendations were asked to do "comparable work for the bank."

Shirley Creech Barbara Lamm had applied for work with Sears, Roebuck and Company Raleigh. As they were both accepted for stenographic work, Shirley decided to go with Sears.
