

Mothers Entertain Seniors At Event

January, 1953

Thirty-two seniors were honored with a Dinner at Parkers in Wilson this month.

Joint hostesses for the affair were Mrs. Rupert Perry, Mrs. W. W. Stott, Mrs. L. T. Lassiter, Mrs. E. T. Manning, Mrs. George Thigpen, and Mrs. Julian Finch.

All are grade mothers for the seniors except Mrs. Lassiter, who is the senior sponsor.

GIFTS

As an expression of appreciation, LAMAR FINCH, president of the senior class, presented each grade mother with a gift.

As a token of gratitude for "having patience with our children" Mrs. W. W. Stott, representing the grade mothers, gave Mrs. Lassiter a lovely gift of Cologne.

Seasonal motifs were used on the program and menu card. The favors were miniature horns and multi-colored hats.

PROGRAM

A program of piano selections was rendered by Judy Finch and Mary Ann Edwards. Featured on the program was Shirley Creech singing, I'LL WALK ALONE, MEMORIES, and TWO TO TANGO, followed by an octette of senior girls singing and dramatizing A MEDLEY OF NURSERY RHYMES. Miss Nancy Dickens, music teacher, planned the program.

A combination plate of barbecue and fried chicken, brunswick stew, slaw, potatoes, cornsticks, and iced tea made up the menu.

Extra Pose Proves Beneficial For Seniors

October, 1952

Seniors save school time and Dad's money, says the advisor, by having an extra pose made for the senior edition of the Bugle by the photographer who took pictures of the entire school in September.

The pictures proved satisfactory except in the case of three or four students who have had a retake made.

This two-birds-at-one-shot idea proved to be cheaper than a regular studio sittings and eliminated taking time out to go to a studio.

Classes Name Officers For Year

September, 1952

Picking from many well-rounded students, the seniors, juniors, sophomores and freshmen have voted for their class officers.

Upon the shoulders of LAMAR FINCH again this year rests the responsibility of directing his class through graduation. LAMAR was elected unanimously with JACKIE BRAGG as vice president, FRANCES CARROLL as secretary, and CLARA LOU STOTT, treasurer.

Students Take Part In Office Work

January, 1953

Needing office help, M.W. WEAVER, principal, has asked MRS. LAURINE T. LASSITER, senior homeroom sponsor, to assign senior and junior girls to work in the office during one of their daily study halls.

To help in the office first and sixth periods, the assistants must have shorthand and typing. JOYCE WILLIAMS and FRANCES CARROLL have these two periods.

ANN EARP, a junior, is on duty the second period study hall. MAGALINE WILLIAMS works during the third period.

CAROLYN HOWELL and JACKIE BRAGG have the fourth and fifth periods.

The office girls that type for the Bugle have assistants to replace them when there is typing to be done for the paper. Those girls are SHIRLEY CREECH, BARBARA LAMM, LOIS THIGPEN.

Mascots Fete Seniors At Park

On May 1 the senior mascots, Shelia Chamblee and Phil Creech, entertained the senior class with a wiener roast at the Wilson Recreation Park.

Refreshments consisting of roasted wieners, marshmallows, pickles, cake, and a variety of cold drinks were served.
