## 13 Girls Present At District Rally

Thirteen members of the local FHA chapter attended the District IV Rally in The Fuquay Springs High School, Saturday, October 10.

While FHA delegates registered, music was played by the Fuquay High band.

After a short business session the candidates for state song leader were introduced. Campaigning resulted in the election of Sarah Easom from the Franklinton Chapter as State Song Leader.

A fashion show was presented by Belk's stores of Fuquay and Wendell.

## Chapter Adds Freezer

Through money made in the FHA chapter, the local home economics department has added a 7 cu. ft. home freezer to its equipment. The freezer will be replaced with a new model every year for five years, the last one to remain in the department.

The freezer was used by the adult class when Miss Lane Siler, home economist with Carolina Power and Light Company, demonstrated packaging of foods for freezing.

## Class Visits New Homes

Third year home economics girls, in connection with the housing unit, visited the Linville's new limestone home in Wilson during their open house on Monday, October 12.

After studying the arrangement and decoration of this house, the class visited another modern home, owned by Mr. and Mrs. Troy Malpass, built on a smaller income.

## VISITOR DEMONSTRATES CARE OF SKIN

Since the first year home economics girls have been studying a unit on grooming, Miss Sarah Fields of Raleigh gave a demonstration on skin care last week in the home economics room.

She showed the members of the class the daily care of the skin to make them have a better complexion.

## Chapter To Celebrate National F.H.A. Week

In observance of National FHA Week, November 1-7, the local chapter is planning various activities.

Attendance at church, giving a red rose, the FHA flower, to the teachers in school are among the activities that will be engaged in to acquaint the community with the work of the Future Homemakers of America.

## DEPT. TO HAVE 'TASTY SHOP'

Home Economics girls will have "The Tasty Shop" at the local Halloween Carnival, which will feature home-made cakes, pies, cookies, and candies.

## FLATTERING FALL HAIR STYLES

TO ENHANCE THE BEAUTY OF YOUR NEW FALL ENSEMBLE. MAKE AN APPOINTMENT NOW FOR A PERSONALIZED PERMANENT . . . . .
