

A Loving Christmas To All

The Bugle extends to its readers the wish that this Christmas may see each one's spirit filled with the love that Christ exemplified - a love that is kind, that envieth not, thinketh no evil, seeketh not her own, and is not easily provoked. Such love will promote good will between all mankind.

May The New Year See Ground Improvement

WHAT HAS BECOME OF THE PLANS FOR BEAUTIFYING OUR SCHOOL GROUNDS?

As pointed out by this paper before, the appearance of the grounds are not in keeping with the buildings and the equipment therein. Too, they give a bad impression to passers-by.

It is to be hoped that the new year will see steps taken toward landscaping the front ground. In the meantime the student body can help by protecting the shrubbery and keeping the grounds clean.
