

Gleanings

By Betty Lou Brown

This month I would like to point out interesting ideas gleaned from other schools as reports in their papers.

If there's any doubt about who are the honor students of a school, just start a Beta Club. The two schools having this club are Spring Hope and Rockingham High.

Are you looking for a new hair style? Why not try the new Be-Bop? It's all the rage at Fremont High.

Juniors that want to find out what a junior is will have to put fun aside until their work is finished. That's what the juniors of Middlesex High School are saying.

By having Open House, the parents can become better acquainted with the teachers and the kind of work the students are doing say Santa Barbara Junior High School and Tri City High School.

A gala fiesta is a method of fun raising used by Immaculate Conception High School.

Members of the PTA stage College Night at Westwood High School. The purpose of this meeting was to acquaint the college-minded students and their parents with some of the various colleges throughout the United States.

Atlantic City High School has added something new to their twirlers' outfits--white plumes attached to their blue hats.

For the first year, Martinsville High School has junior staff members.

Classes Share Christmas With Others

Seniors, juniors, and ninth grade A gave clothes, toys, candies, and Care packages to children that might not otherwise have had Christmas this year.

Mrs. Laurine Lassiter's freshmen sent a CARE package to CARE Headquarters to be used where needed.

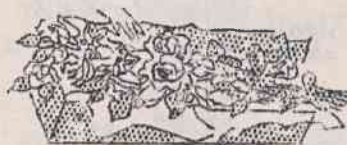

Miss Idalia Oglesby's juniors made Christmas possible to two little boys at the Free Will Baptist Orphanage at Middlesex.

Mrs. Howard Farmer's seniors gave Christmas to a family of small boys and girls.
