

In case you've wondered about the curtain down in the gym, maybe I can explain. It was put there largely for advertising purposes. The names on the curtain are people who gave generously to help us purchase a new tape recorder and the drapes for the auditorium windows. We are greatly indebted to the Merchants for these ads.

THE UPSET

An upset really came the night Cooper's boys defeated Bailey's boys by a five point score. Had Bailey won that game their county standing would be tied for second place rather than the now fourth place.

The girls had better luck with Coopers because they came out with a tremendously large margin compared with their first game against them. The girls also hold the fourth place position in the county standing.

Signs of relief were made a week or so ago when Bailey's Green Hornets upset Spring Hope's Golden Raiders by a fairly large margin. Our boys also shined the night they defeated Rock Ridge, but for some unknown reason our girls were somewhat off and unable to win.

The last game between Bailey and Benvenue was an EXTRA unusual one for

Cooch Reviews Teams' Season

The basketball season is about over for our teams. There is still the tournament to play; our boys and girls have high hopes of winning. Our season has been pretty good and in some towns would be considered very successful, but here we expect our teams to do better than pretty good.

In county competition our girls won 8 and lost 6 and over all they won 11 and lost 9. The boys had a record of 9 wins and 5 loses in the county; for the entire season they won 15 and lost 6.

We had a meeting in Nashville the other day to draw our opponents for the first round of the tournament. The Bailey teams finished the season in fourth place. Our boys' team was put in a bracket with the number two team, Coopers. Our girls' team is in the bracket with Nashville or Middlesex.

Bailey teams opened the tournament Wednesday night playing the opposing teams in 7th and 8th place standings.

The teams need the support of the entire student body, so try to get to as many games as possible.

Bailey, because the players racked up almost the same number of points.

The following shows the scores:

Name	Score
Edwards---15	Glover---14
Perry---15	Boykin---13
Brannon---14	Jones---13
Lamm---12	Stott---12
Brantley 12
