

Gleanings

By Betty Lou Brown

While looking through the exchange papers this month, I discovered some activities that could easily be carried out by the students of our school.

FREMONT HIGH SCHOOL

"What Does It Mean To Be A Sophomore?" Instead of thinking of it as just two more years of school, think of it this way--how many friendships and days of happiness you will leave behind.

TRI CITY HIGH SCHOOL

Their school had a senior who won the "I Speak For Democracy" contest.

Boys and girls, our school could do the same; let's get busy.

ROCKINGHAM HIGH SCHOOL

A senior of this school won an essay contest.

IMMACULATE CONCEPTION HIGH

At a convention the topic "Study" was discussed by their principal.

I came to this conclusion--if you want to make the honor roll, just study.

MIDDLESEX HIGH SCHOOL

There were ten basic rules for living offered in this paper. The two I thought best were always "say less than you think" and "be cheerful."

ATLANTIC CITY HIGH SCHOOL

A school with another winner in a contest! The subject of the contest was "Thicker Than Blood."

Why can't the boys and girls of Bailey do something like that?

WESTWOOD HIGH SCHOOL

"What Reading Means To Me" was an article in this paper, and it disclosed

Polio Drive Nets \$103.99

Slightly under one-third of the town's \$350 quota in the County Polio Drive was raised by the school, discloses Mrs. Raymond Finch, chairman. She attributes the success of the school's \$103.99 to the co-operation of the teachers, students, and principal.

Prizes were given to the student in the grammar grades and the one in high school who turned in the most money.

WINNERS

Kay Wiggs won the grammar grade prize by collecting \$8.05. Runners-up were Maxine Liles with \$6 and Linda Lamm with \$5.05.

In high school Billie Perry was awarded the prize. Her amount was \$2.

Miss Rachel Bissette's seventh grade with \$20.04 led all rooms in amount collected.

Mrs. T.C. May's fourth and fifth grade came second with \$14.80.

"that reading is one of great pleasures we have in America, and we should all take advantage of it."
