To all the teachers who volunteer to act as chaperons at the basketball games.

To the people in town who were so co-operative during the junior class paper drive.

To Mr. Brown and Mr. Bryant for taking students to the basketball games and then taking them home.

To all the students that help support the basketball teams by cheering at the games.

To the teachers for being so patient when the buses get stuck and the students come into class late.

To those who participated in the panel discussion at the FHA meeting.

To Mr. Inscoe for not requiring schools to run when the roads are too hazardous.

To the students who are always courteous toward and co-operative with fellow students.

To the county mechanic for keeping the buses in good running condition.

To students and teachers for their co-operation shown while the carpenters work on the second floor.
