

Room Attendance 100% Freshmen Lead In Honor Roll Throughout Month

Again out in front in attendance is Mrs. T. C. May's fourth and fifth grades, this time having a 100 per cent record for the sixth month for the entire grade.

Last month Mrs. May's fourth grade boys had 100 per cent attendance.

In high school Miss Edith Farmer's room leads off with 98%, a two per cent climb over last reporting period.

Miss Clea Eatmon's third grade is up this month with 97%. Only one per cent behind are Mrs. J. P. Underwood's sixth grade and Mrs. L. T. Lassiter's ninth A with 96%.

Mrs. Olivia Barnes' second grade dropped from 98% to 95% this month. Mrs. Howard Farmer's seniors climbed to 95%.

There are fifteen rooms with a 90% or above average for this past month.

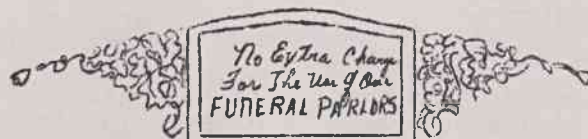

Freshman walk off with the largest number making honor roll the past grading period the registers reveal. Seniors are next with a close second.

Students making honor roll straight without having any absences or conduct grades are Peggy Braswell, Mary Ella Glover, Audrey Joyner, Louise Wells, freshmen; Jimmy Harria and Rayford Parry, seniors; Billie Faye Perry,

junior; and Elsie Eatmon, sophomore.

Christine Fowler's grades entitled her to the honor roll, but her absences were against her.
