

Have You?

BY CHRISTINE FOWLER

Heard--The song "Playing Mama and Papa"?

Anyone saying, "I'll do it; I'll do it the first chance I get"?

Noticed--All the cute little boys and girls the juniors brought to school to select their mascots from?

All the neat posters in Mrs. Farmer's room?

The neat attractive way Betty Loy Stallings waves her hair?

Wondered--Where Henry Brantley got his new aqua hat?

Whether or not there will be a Junior-Senior Banquet this year?

Why there are so many letters circulating around school? (The juniors are writing them in English.)

What the senior class will leave to the school?

Seen--All the new signs on the teachers' doors?

Been--Conscious of the cleanliness of the building since the preparations were made for President Bayar's visit and for Open House?

Thankful that there is no more Saturday teaching?

Aware of the steps saved teacher and students as a result of the door cut between Mrs. Lassiter's two classrooms?

Wished--Other dignitaries would visit our school?

Discovered--That the evidence of spring is revealing itself in more ways than one, chief of which is a general attitude of laziness?

Realized--That there are only 41 days of school left.
