

Bailey Has Open House In Form Of Fair

Bailey's fourth annual Open House, coming as in previous years at the March PTA Meeting, was presented last night as an Educational Fair with its Midway, featured attractions, and exhibits.

Classrooms with students' work on display were the exhibit "halls", while the "Grandstand Attraction" was a program by the Mighty Midgets and Tiny Toddlers of the two first grades.

The committee in charge was headed by Mrs. R. G. L. Edwards, assisted by Mrs. Florabelle Bynum, Mrs. Jerry Hagwood, and Mrs. Helen Murray.

Cast Enters AC Festival

Members of the cast of the junior play have accepted an invitation to attend the Eastern Regional Play Festival of the Carolina Dramatic Association at Atlantic Christian College in Wilson, March 27.

The purpose of carrying the play to A. C. is "to have fun" and have the play criticized.

Bailey is the smallest school having its play criticized. Among those school entering the Festival are Campbell College, Charles L. Coon High School, Red Devil Masquers of Smithfield High School, and Greenville Little Theatre Guild.
