Ball Clubs Fall Into Two Sections

Baseball clubs of the Nash County schools have been divided into two sections, the north and the south, each section having four teams.

In the south section are Bailey, Coopers, Middlesex, and Spring Hope; in the north, Benvenue, Nashville, Red Oak, and Whitakers.

The teams are scheduled to play each other two games.

The winners of the south division will meet the winners of the north division in a 2 out of 3 series games for the County Championship. These series games will be played in Spring Hope stadium.

The boys kept the basketball season going until a couple of weeks ago when they defeated Elm City in the Sectional District Tournament, only to fall
