Srs. To Honor Parents At Chapel Program

Seniors will pay tribute to their parents in their last chapel program next Friday. The program will be largely choral in presentation and will represent the seniors' appreciation of their parents' backing for twelve years.

In order to show gratitude to their parents for the encouragement and help given throughout their school years, the class has worked out its own program of choral readings and songs, assisted by Mrs. Helen Murray, public school music director.

Mrs. Moody Glover and R. W. Jones will respond in behalf of the mothers and fathers.

The program will come at 10:30 a.m.

Mrs. Johnson Reveals Recital Plans

"All Aboard For Music Land" will echo throughout the Bailey auditorium on the evening of April 23 and April 30 as Mrs. Eloise F. Johnson presents her 35 music students in their yearly recitals.

The large enrollment has necessitated two programs. Those taking music this (See MUSIC RECITAL page 2)

Insurance Covers Burglar Damage

CULPRITS ARE UNDER ARREST

Damage done by the burglars, who broke into Bailey School, March 28, and have been arrested, was covered by burglar insurance, states Principal Weaver. This insurance covers all damages done by the burglars--damage to safe, money taken, window broken--at a cost of \$12 per year.

There was a tear gas bomb connected to the safe. It was broken but it seemed not to have any effect.

CASH TAKEN

\$75.68 in money was taken, two sections of the window broken out, and the safe ripped open.

The culprits also went into Mrs. R. G. L. Edwards' eighth grade and the agriculture building.

They didn't get anything in Mrs. Edwards' room except a baseball bat. The tools used to break into the office were taken from the agriculture building. These were later found in the pasture behind the school building.

Principal Weaver reports that the insurance adjuster authorized the purchase of a new safe. The safe has been bought.

These same boys broke into Farmer Brothers Store that night.

Seniors To Attend College Day Tomorrow

Tomorrow the seniors will go to the annual High School Day at East Carolina College.

The college sponsors the day to help students in making plans for college. Committees have worked out plans for them to "see a college in action."

Varied programs and activities will fill the day.

The seniors, their sponsor, and one or two grade-mothers will be making the trip.
