BETTY LOU BROWN

Last month this column gave the benefits resulting from exchanging school papers. This month suppose we apply a few of these benefits.

To get ideas for improving the staff's paper, for solving students problems, and learning about certain clubs, read other school papers and then try their ideas to see if they work.

We noted among other items last month the interest one school has in what another is doing. Let's see them.

### SPRING HOPE HIGH SCHOOL

The juniors of Spring Hope took a trip to Washington on April 6-9.

### THE LACONIA HIGH SCHOOL

On April 22 the students will be given their annual Junior Prom.

### TRI CITY HIGH SCHOOL

The students of Tri City High School sponsored the first annual College Day for the juniors and seniors. The Monogram Club of this school sponsored a Sock Dance for the all-tournament players.

### PETERS HIGH SCHOOL

The junior class of Peters High School gave the seniors an annual prom, April 23.

### NEW FRIENDS

May I introduce you to two new friends, another reason for advocating exchanges. ELINOS WHITLOCK, who is from the Presbyterian Junior College, is one of the best liked and most considerate boys on the campus. He has won for himself the admiration and respect of the faculty and student body.

BILLIE JEAN HOLMAN of Tri-City High School won the annual American Legion Contest. She spoke on the subject "An American Citizen's Rights and Duties Under the Constitution."

Another purpose of exchanges is to learn new terms for expressing one's thoughts. How many of you students can define these

words:

1. superannuated
2. petulant
3. termagant
4. parsimony
5. taciturn

So long for this year!

Senior mascots are entertaining the class at a weiner roast tomorrow night.

## NOW YOU CAN GET JOHNSON'S PURE PORK SAUSAGE

MILD
