

Up To Date On The Alumni.....Beebe Eatmon

Twelve years of schooling cemented the class of 1954 into a strong unit, but life has intervened and has sent them in various directions, participating in various activities.

Among the graduates of 1954 there are 21% who are still at home: Doris Johnson, Christine Fowler, Ann Earp, Peggy Jean Earp, Annaleen Medlin, Wayne B. Finch, and Dwight Glover.

There are five who have entered college. Peggy Liles is at Meredith; Carroll Jones, State; Jimmy Harris, Duke; Jerry Perry, Duke; and Bruce Finch, VPI, Virginia.

Wedding bells have a special appeal to some of the members of the class. Patricia Dew is getting married to Bobby Lee Finch, October 24. She is planning to continue working with Carolina Power in Raleigh. Cornelius Boykin and Patsy Edwards (class of '51) will be married in December. Vivian Glover and Rassie Williams were mar-

ried September 18. Annie Ruth Brown (Mrs. Duwayne Cole) lives in Virginia.

Julian Glover and Jerry High are farming. Richard Demment, Jr. in Wyoming, Raeford Perry and Danny Glover in Texas are with the Air Force; James Paul Stott, Army.

In Wilson, Louise Howell works at Bissette's Drug Store; Madeline Perry, at the Branch Bank and Trust Co.; Andrew Sherrod and Wesley Winstead at the Log Cabin Grocery. Wesley and Dorothy Jean Denton were married August 7. They are living in Bailey.

Raleigh, as in the past, continues to have a strong appeal for this class too. Louise Davis and Marlene Perry work at the Security Commission office; Amy Lou Horton, at Walker Martin; Betty Lou Glover at the Superior Stone; Tanya Glover, at the ABC Board; and Ann Medlin, at Peden Steel.

Stella Jones has sought the "land of sunshine and

flowers," Florida. Here she works with an insurance company in Jacksonville.
