

## Lunchroom Receives Grade Of 98

W. B. Taylor, county inspector, gave the lunchroom a grade of 98%, Grade A. The lunchroom staff thinks this is "an excellent grading."

Mrs. K. F. Lewis, supervisor states, "Our people are eating better this year than last year. We have an average of 440 daily to eat in the lunchroom."

The whole school would like to express thanks to J. H. Wells and the boys taking agriculture for re-finishing the stage in the lunchroom.
