

INITIATION OF
NEW MEMBERS
NOVEMBER 1

F. H. A. FLOWER

RED ROSE

What Is F.H.A.?

Frances Wilson

Among the over 19,000 Future Homemakers in N. C., 102 of these are Bailey High School girls. This means that each of these is a member of the local FHA chapter and should consider it an honor to be a member of such an organization.

The distinguishing colors of the Future Homemakers are red and white. These colors are symbolic of youth--youth which has courage and determination to succeed, yet has innocence and purity. It is also symbolic of home life, the success of which is of utmost importance.

OFFICIAL FLOWER

The red rose is the official flower of Future Homemakers. It is symbolic of vibrant glowing health, which contributes to happiness and efficiency in home and group life.

"Toward New Horizons," the motto of F. H. A., expresses the purpose of the organization--learning to live better today in order that our lives and those of our families may be better tomorrow.

The purposes of Future Homemakers are to promote:
1. the appreciation, the joy, and the satisfaction

of homemaking; 2. worthy home membership; 3. democracy in home and community life; 4. good home and family life for all; 5. international good will; 6. development of creative leadership in home and community life; 7. wholesome individual and group recreation; 8. interest in home economics.

If these purposes are achieved through Future Homemakers Chapters, it should mean that we would have a better state and nation. A state or nation is no stronger than its people, people whose real strength comes from the training received at home.

October 31-November 6 has been declared as National

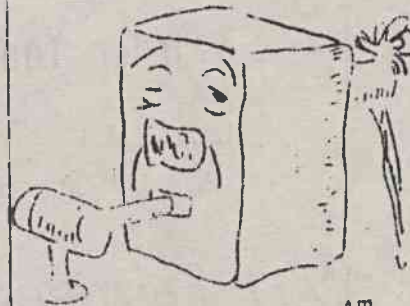

F. H. A. week all over the United States. Let's remember what F. H. A. can and is meaning to the youth of our country who will be our leaders for tomorrow.

Activities outside of the regular club programs are summer camps and rallies.

The Bailey Chapter participated in the Nash--Frankling Rally, District IV Rally, and the State Convention. At these rallies girls who have earned degrees of achievement in local chapters are recognized.
