By Keith Vicke

Hi Fans!

Well, the basketball season has finally started.

The first game of the season was played at Saratoga. The girls won with a victory of 31 to 26. The boys lost, 46 to 50, but they did play a good game.

In the girls game Billie Faye Perry was the high scorer with 12 points. Nelda High and Paula Horner guarded well.

In the boys game, Newton Glover led with 24 points. Jimmy Dew, freshman, played, so says the coach "as though he would develop into a good player with more experience."

The second game of the season was played here. The teams made a much better showing than they did at Saratoga. The reason for this was possibly the fact that they were playing on their own court and that it was the second game. Bailey won both of these games with a victory of 64 to 19 for the girls and 46 to 29 for the boys. Rolling on to their third

Jones Makes Frosh Team At State

Carroll Jones, former Bailey basketball star and freshmen at State College, is now on the freshman squad there.

Jones, graduate of '54, played on the Bailey High School basketball team for four years. He is six feet, two inches in height with a husky build. On the high school team he played center and was co-captain of the team in his senior year.

The coach at State College has made this criticism of the player, "Jones should learn to move around faster."

victory, the girls overpowered the Lucama girls by a 52 to 35 score. In the boys' game the score was 59 to 29 in Lucama's favor.

If you would like to know who the toughest players are, ask Newton Glover and Billy Liles. In the second game of the season with Saratoga, Newton broke his arm and Billy broke his hand. Neither knew anything about it and kept on playing.
