

Up-To-Date On The Alumni.....Beebe Eatmon

A large percent of Bailey graduates seem to find college a wonderful place this year, as a number have in the past.

Among its large alumni, Bailey has another alumna to be proud of, Jane Morgan, '51, a senior at Duke University. She has made Phi Beta Kappa, the highest national scholastic honor society. Jane is the second member of her family to attain this honor. Her sister Marie, '42, also averaged grades high enough to enable her to receive the PBK key.

Living in the dormitory this year, Mary Ann Edwards, a sophomore at A. C., readily admits it is an enjoyable change, since she was a day student last year.

At N. C. State College this year Tommy Glover, '51, is majoring in agriculture.

Worth Walker, '52, and Judy Finch, '52, are students at A. C. College, in Wilson.

At the Wachovia Bank in Raleigh, North Carolina, Mildred Manning, '51, works as a secretary in the Time Payment Department.

In Rocky Mount, North Carolina, Kenneth Batts, '48, is working with the Eastern Branch of the Atlantic Coast Line Railroad.

November 1, Peggy Jean Earp, '54, started working

in the office of the Johnson Cotton Company in Wilson.

Mr. and Mrs. Barney High, Jr. were proud to announce the birth of a daughter, Suzanne, July 1. Mrs. High is the former Sharon Bunn, '47.

Living in Portsmouth, Virginia, is Mrs. R. W. Horner (Dorothy Eatmon, '44,) with her one son Ricky and a daughter Judy.

A busy housewife and mother is Mrs. W. J. Edger-

ton, formerly Jean Pace, '50, of Norlina, N. C. She has two sons, William Jeffrey and Gary Wayanne.

John Morgan is stationed at Air Force Base, Langley, Virginia. He has just been transferred from Chanute Air Force Base, Rantoul, Illinois.

Recently home on a furlough was Owen Strickland, '52. He is in the army at Fort Carson, Colorado.

School Organizes Safety Patrol

As a means of preventing accidents, the school now has a safety patrol to aid small children in crossing the streets.

The patrol consists of fifteen boys who volunteered for duty at the stop lights from 3:15 until 3:30 p.m.

For safety and to prevent accidents to walking students is the reason back of the patrol idea.

Principal M. W. Weaver states, "The boys are getting along fine, and the students are listening to them as they would a policeman or patrolman."
