

# Rooms Parade Christmas Ideas In Decorations

Santa Claus and his reindeer, the Nativity scene, snowmen, and other "customary" Christmas decorations are being displayed throughout Bailey High School again this Christmas season.

A frieze of Ole' Saint Nick and his reindeer decorates Mrs. Flora Belle Bynum's first grade room.

Mrs. Altermise Glover's second grade will have a Christmas tree and a "Christmas table."

### CONE TREES

The third graders in Miss Cleo Eatmon's room have made Christmas trees out of ice cream and pine cones. A large pine cone was contributed by Teddy Whitley. Teddy's mother, Mrs. W. H. Whitley, decorated the pine cone "beautifully", says Miss Eatmon.

Mrs. Rachel Paschall's fourth grade made a snow scene and a Bethlehem frieze.

### MADONNAS

Madonnas cover a section of Mrs. Jim Underwood's sixth grade room while a snow scene frieze covers the front of the room.

Mrs. T. C. May's fifth and sixth grades have pictures and cutouts showing

the comparison of the first Christmas with that of today.

Miss Rachel Bissette's seventh, Mrs. Harvey Evans's seventh and eighth, Mrs. R. G. L. Edwards's eighth, Mrs. Olivia Barnes's second, Mrs. Effie Hagwood's first, and Mrs.

Ruby Boykin's fourth and fifth grades have the "customary" Santa Claus, snowmen, and Nativity scenes.

In high school, the home rooms are planning to have Christmas decorations, of evergreens and Christmas trees.
