

M. Of D Drive Nets \$212; Winners Receive Awards

In the annual March of Dimes contest \$212 was the total contribution throughout the school. A committee of four women of the Bailey community conducted the drive.

A cash prize of three dollars was given to the winning room in the primary, elementary, and high school departments.

Miss Edith Farmer's juniors were the winners in high school with \$19.71.

CLOSE CONTEST

In the grammar grades it was a "close" contest. Miss Rachel Bissette's seventh grade beat Mrs. T. C. May's fifth and sixth grades by one dollar. Miss Bissette's grade had \$36 and Mrs. May's had \$35.

Miss Clee Eatmon's third grade won over Mrs. Rudolph Glover's second grade by one dollar also. Mrs. Glover's grade had \$20; Miss Eatmon's \$21.

"There might have been more collected if it had not snowed," commented the committee composed of Mrs. John D. Haskins, Mrs. Robert Eatmon, Mrs. Broadus Glover, Mrs. Dan Christian.

Librarian Reveals 'Students' Interest

Arrival, February 7, of 70 of the 76 high school library books ordered last fall created a "spirit of interest and helpfulness" the librarian, Miss Idalia Oglesby, divulged, when the books arrived during her study hall.

The students in study hall examined the books, removed the book jackets, pasted in pocket date-due slips, and recorded them in the accession book.

AVAILABLE FUNDS

These books were purchased with the library fee of 50¢ paid by each student in the fall, which sum is matched by the county. Added to this was the \$14 allotted each teacher by the state.

Other work done on the books were to put on call numbers with white ink, make out catalog cards and cards to be signed by the users, and shellac the books.

DEMAND DETERMINES ORDER

History supplementary books and North Carolina stories and biographies have priority over other books ordered Miss Idalia Oglesby, librarian, states, because these types of books in the library are not meeting the demand.
