

## Band Makes Two Public Appearances

Bailey's newly-organized band of last spring has been growing throughout the year. There are at present 20 members in the senior band and nine in the junior band.

Sam M. Keen of Wilson, who has been conducting Wilson county bands for the past five years, is the conductor.

Keen directed his own band in Miami, Florida, and was a flute soloist with the Miami Symphony Band.

In addition to playing for a chapel program, Bailey's band has made two public appearances, February 10, following the Tom Thumb Wedding sponsored by the Band Association, and March 8, at Open House.

The Band Parent Organization, made up of parents of the band members, was organized to assist the band in buying instruments and uniforms and other needed equipment.

Money now in the band treasury will be used to buy uniforms, three alto horns, a Sousaphone, and a complete percussion department.
