

## Chapter Sponsors 2 Dances In April

### B.H.S. MEMBERS JOIN

### OTHERS AT ST. F.H.A. MEET

Twenty future homemakers from Bailey, accompanied by the two student-teachers, Miss Dorothy Gouch and Miss Agnes Mangum, and their adviser, Mrs. E. R. Horton, attended the annual FHA State Convention in Raleigh, April 7. They went by way of the activity bus, driven by James Wells.

#### PURPOSE

The purpose of this meeting was to discuss general business concerning all North Carolina chapters and to elect a candidate for National Secretary.

Beginning with the registration at 9 o'clock, the convention lasted until approximately 3 o'clock. The program was presented by different chapters in the State and by the State officers.

As guest speaker, Miss Rosa Lee Armstrong, home economist with Carolina Power and Light Company and Community Ambassador, told of her visit as goodwill ambassador to Austria, where she lived and worked with the people.

To provide wholesome entertainment and to boost the F.H.A. treasury, Bailey F.H.A. members sponsored an April Fool's Dance, April 3, and an April Shower's Dance, April 24, reports F.H.A. adviser, Mrs. Elton Horton.

Students and their parents, teachers, and friends gathered in the school cafeteria at 7:30 for dancing. At 10:00 p.m. Mrs. Horton called an end to the nights' festivities. Possessors of the "lucky tickets" were Mary Ella Glover, junior, Kenneth Adams, fifth grader from Mt. Pleasant, and Sandra Barnes, a visitor.

Henry Brantley, senior, and Mrs. Horton judged an endurance contest "a tie" among four couples.

Music was furnished by records, April 3.

Music for the April Shower's Dance was provided by Royce Lamm and Richard Privette.

Door prizes were won by Adrian Mitchell, sophomore, and Mrs. Grover Bissette.

A cake walk netted Garland Joyner a cake.

Refreshments consisting of crackers and cookies were served buffet style. E. R. (Buddy) Horton sold soft drinks at both dances.

## FHA Sends Delegates To Nat. Convention

For the first time in the history of Bailey's FHA organization, the club has the opportunity of sending two delegates to the National FHA Convention, July 2-6, at the Conrad Hilton Hotel in Chicago, Illinois.

#### THE TRIP

Sue Weaver and Louise Wells will be the delegates. They will make the trip by train from Raleigh. Most of the time in Chicago will be used for meetings, but sufficient time will be left for excursions and sightseeing trips the planners of the Convention declare. A banquet and the Fourth of July fireworks display will be the highlights of the trip.

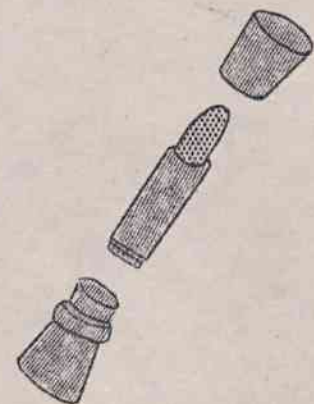

#### DELEGATES

Only 109 delegates can be sent from North Carolina-- 87 students and 22 adults. Bailey will not have the opportunity to send representatives again for four years.

For the ideal graduation gift, REVLON suggests the
