## CONDUCT GRADES CRIPPLE DAIRY JUDGING TEAM

Because of substitutions at the last minute, the chapter's Dairy Judging team was unable to win top-rating honors in the District I Contest last Saturday in Edgecombe County.

Dallas Glover, Lewis Williams, and Jimmy Bennet composed the team. Two of these students were replacees for regular team members who had to drop out because of their making D's on conduct for the past grading period.

The contest affords training in selection of "good" dairy animals.

First place honor came Bailey's way as her land judging team, competing with ten schools from the Nash-Edgecombe federation, placed highest among the represented schools at Spring Hope last month.

All the schools from the two counties were in the contest. Bailey's team was tops with a score of 512 points. South Edgecombe and Benvenue teams tied for second place with a score of 475.

### INDIVIDUAL SCORES
