

# Grades Await Christmas -----Christie Finch

Elementary grades prepare and plan for the events that will occur during the month of December.

Grademothers in Mrs. Harvey Evans' eighth grade are planning a Christmas party for the students. A discussion between teenagers and mothers is also planned.

A Christmas scene is displayed in Mrs. J. P. Underwood's sixth grade, and the students are learning to cut and make stars.

Mrs. Ruby B. Boykin's fifth-sixth grade combination is preparing for a Christmas party and is drawing pictures pertaining to Christmas.

### ART FRIEZE

An art frieze of Bethlehem, Christmas drawings, and letter writing in language and social studies are the main interests in Mrs. T. C. May's fifth grade.

Mrs. Olivia P. Barnes' third-fourth grade combination is making an art frieze and a gum drop Christmas Tree.

Letters and poems have been the main interest in Miss Clee Eatmon's third grade. The following one

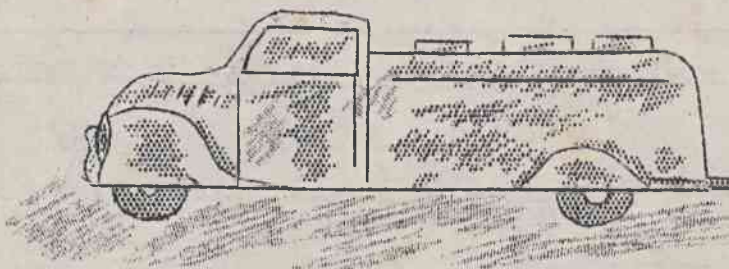

is written by Catherine Williams, age nine;

When Santa Claus comes,  
He will come in the night.  
He won't see me;  
I will be out of sight.  
I'll jump in the bed,  
Cover up my head.  
I'll snap out the light,  
Close my eyes tight.

Writing letters to Santa

Claus, making Christmas cards, having a Christmas tree, and arranging a Christmas table with a Manger scene are keeping students in Mrs. Altermize Glover's second grade busy. Reading Christmas stories, learning songs, making decorations and Christmas cards are enjoyed by Mrs. Effie Mac Hagwood's first grade students.
