Team Wins Fourth Place In Contest

Freshmen, Jerry Bissette, Charles Eatmon, Don English, and Donald Bass represented Bailey in the Nash Edgecombe Federation Tool Judging Contest last week at Dillion Supply Co. in Rocky Mount.

The boys competing with eleven teams came in fourth place behind first place West Edgecombe. Coopers and Benvenue placed second and third.

HIGH SCORERS

Out of a possible hundred points Jerry Bissette was high for Bailey with 95 points; Don English, second with 94 points; Charles Eatmon, third with 87 points; and Donald Bass had 86. The three high scores counted thus giving Bailey a total of 276 points.

There was a total of one hundred tools, materials, and equipment used in the contest.

STUDENTS OBSERVE NATIONAL FFA WEEK

Future Farmers of America throughout the nation are scheduling special activities to focus public attention on the work of their organization during National FFA Week, February 16-23

Locally, members of the Bailey FFA Chapter are putting up posters in observance of this week throughout the community. Several boys from the ninth grade have participated in the Federation Tool Judging Contest this week.

Membership in the FFA is made up of farm boys who are students of vocational agriculture in high school. The organization's activities are designed primarily to help develop rural leaders and good citizenship, to stimulate the boys toward better achievement in their study, and to work toward successful farming.

Bailey's FFA Chapter has 61 members. Officers are President, JAMES WELLS; Vice President, CHARLES WILLIAMS; Secretary, DALE

Records Attest Facts

Summarization of last year's records shows that Bailey FFA students received a gross income of \$14,581.87 for their farm projects.

Among the enrollment of 61 members, 48 boys had corn for their special projects; 23 tobacco; and 4, cotton.

Tobacco projects of the boys average \$1040 per acre. Members having corn produced a yield of 78 bushels per acre. Four boys with cotton projects produced one and a third bales per acre.
