

Bailey Girls Win Sportsmanship Trophy

Triumph over all county basketball teams in sportsmanship, the Bailey girls' squad brought home with them the county sportsmanship trophy. This is the second trophy they have received for sportsmanship this year.

Accepting the trophy for the team members were co-captains Faye Lamm and Katy Horton.

DETERMINING OF AWARDS

Winners of the team sportsmanship awards are voted on by the referees; winners of individual sportsmanship awards, players; members of all-county teams, coaches.

With the exception of the individual sportsmanship awards, which are given by the Rocky Mount Junior Chamber of Commerce, all trophies are bought with the tournament proceeds.

Grades Clash In Games

Bailey eighth grade girls and Mt. Pleasant seventh and eighth grade girls tangled in a basketball game after the tournament. The score was 41-44 in Mt. Pleasant's favor.

Bailey's starting forwards were Linda Lamm with 7 points; Andra Cozart, 24 points; and Larue Davis, 6 points. Mt. Pleasant's outstanding forward was Nancy Brannon with 30 points.

PRINCIPAL'S ESTIMATION

Comments made by Principal M. W. Weaver included: "Linda Lamm is little, but she is fast and a very good rebounder. Nancy Brannon, Andra Cozart, and Barbara Sue Lamm are the big girls that Bailey has been

needing for a long time.

"Prospects are good in both the boys and girls, but the boys did not make a good showing."

In the boys' game the score was 18 to 8. A victory for Mt. Pleasant.

BHS PLAYERS ATTAIN ALL STAR HONORS

Four BHS basketball players--Faye Lamm, Jimmy Dew, Boots Harris, and Gwen Burgess--made the Nash County all-tourney teams. Two received honorable mention.

"Sparkling" Faye Lamm, senior and co-captain of the girls' team, drew 52 of a possible 80 points in securing a guard position on first string.

Jimmy Dew, junior and boys' co-captain, placed second in the boys' division with 63 voting points.
