

# Meet The Seniors Gym Gross Totals \$1,345.97

BY PEGGY BRASWELL

Musically inclined are the words to describe seniors YVONNE HEACOMBS, MARY ELLA GLOVER, J. P. LAMM, LOUISE WELLS, and RICHARD PRIVETTE.

Yvonne, a piano and voice student, has been studying piano nine years and voice five years. Throughout these years she has received nine medals.

Four Awards In Five Years Although Mary Ella has studied piano only five years, she has already received four medals.

J. P. has studied piano the least number of years (2) but by no means gets the least amount of recognition. He has attained one medal.

Fifty-eight awards and

From the home basketball games this year, gross receipts from the door, the drink stand, and the popcorn machine totalled \$1,345.97.

Juniors made \$225 of this by selling drinks and nabs. The remaining amount was

various certificates are the rewards Louise has to show for her ten years of studying piano. Louise has two graduations to look forward to, high school and music. She commutes to Wilson for her lessons.

Television has given Richard a chance to show his ability with the drums. To prove he is inclined toward music, Richard plays the trumpet and guitar. He is now in the process of organizing his own band.

credited to the athletic fund.

An average of eleven crates of drinks were sold each night. Juniors rotated at the drink box. Charles Patterson and J.W. Carroll were in charge of preparing the drink stand and collecting bottles after the game. Homeroom teachers of the eleventh grade and their grade-mothers supervised at the drink stand.

The junior class wishes to thank Will Lucas, local merchant, and the Pepsi Cola Company for selling the drinks wholesale.

James Eatmon and Bennie Boykin operated the popcorn machine. M. W. Weaver and W. G. Edwards were at the door to receive admission fees.
