Bugle Lives Again

As a means of assembling 1958-'59's most important school news, the seniors, guided by former journalism students; commercial instructor, Mrs. L. T. Lassiter; and class sponsor, Miss Idalia Oglesby,

have published this single issue of the BAILEY BUGLE:

"Realizing our lack of training in the journalistic field, the seniors, nevertheless, hope that this copy will be well-received by and enlightening to both students and public," agrees the editorial staff.

The Reverend J. Monte Bishop, pastor of the Bailey Baptist Church, will deliver the Baccalaureate Address in the school auditorium at the regular Sunday morning worship hour, 11 o'clock.

At 8:00 on Wednesday evening, the Commencement Address will be given by Dr. Arthur D. Wenger, President of Atlantic Christian College.

Everyone is cordially invited to attend.

Senior Wins Scholarship

Jasper Horton, senior class president, received a \$500 Belk Foundation scholarship last month as the result of his having filled out an application blank obtained through an article in a local newspaper. This was one of eight such scholarships and Jasper's application was selected out of 2,200 additional ones.

Grades made in school, participation in civic and local affairs, high school and church activities were the determining factors in selecting the winners.

H. M. Jeffries, Sr., General Manager of the Wilson Belk store, presented Jasper with a piece of genuine cowhide luggage in recognition of his achievement.
