

Sophs Celebrate St. Patrick's Day
Students Present Recital

LUNCHROOM RATES 97

"St. Patrick's Day" was the theme of the sophomore class party held March 14, 1959.

Students reported that they "enjoyed the entertaining games and dancing."

Refreshments consisted of green punch, green and white cake squares, and salted peanuts.

Sophomore grademothers, who are Mrs. Carl Mitchell, Mrs. Ed Cozart, Mrs. Elton Manning, Mrs. Leamon Tapp, and Mrs. George Lamm, were the hostesses for this occasion.

GIRLS BRING HONOR TO CLASS

Two of the sophomore girls, Andra Cozart and Ann Brock, have brought high honor to their class this year.

Andra was named as one of the all-county girl forwards in basketball. Ann was elected by the high school students to represent them in the Bailey Christmas parade.

May 8 is the date set for the second recital which will be held in the high school auditorium.

Enrolled are ten elementary students, five high school students, and two adults, making a total of seventeen pupils. The participating students are under the direction of Mrs. Eloise F. Johnson.

Visiting the Bailey School cafeteria during the last part of 1958, Mrs. Kathryn Woodard, state supervisor, gave the lunch room a rating of 97 per cent.

"Lunches are well-prepared; servings, ample. Everything in the kitchen and dining area is spotlessly clean. Student labor is well supervised and beautifully trained," stated Mrs. Woodard.

The cafeteria is operated by Mrs. K. F. Lewis, Mrs. E. L. Strickland, and Mrs. Eyerette Lamm.
