

Grades Stress Three R's --- by Christie Finch

Stressed in the elementary grades this year have been the three r's and related courses. Participating in class clubs, social activities, art work, and planning for sight-seeing tours has consumed remaining time.

The first and second grades sponsored by Mrs. Leitha B. Lewis have stressed reading this year. Favorite books have been Day In and Day Out and Round About.

Spelling is being taught for the first time in years in the first grade, sponsored by Mrs. Horace Meacomes. A spelling race is being held among the students.

Miss Eatmon's third graders have stressed letter writing and the different forms of letters.

GRADES FORM CLUBS

Students in Mrs. Dorothy Browning's eighth grade formed a club called the Teenage Club to start the school year with a fellowship together.

In Miss Doris Thomas' seventh and eighth grade combination, a club called the Goodtimes' Club was organized.

The Seventh Grade Club, formed by Miss Rachel Bissette's seventh graders, meets every two weeks with two assigned students for a program.

Miss Ida M. Parker's fourth graders organized the Mickey Mouse Club. The students take part in the program and have fun singing together.

CREATIVE DISPLAY

Several grades had students to participate in the Creative Display in Nashville, April 8 and 9.

Kenneth Beasley and Kenneth Bissette represented Miss Thomas' seventh and eighth grade combination with their posters.

Making pioneer dolls and furniture, paper clock faces, a toy plane, and a flatboat kept students in Mrs. Olivia P. Barnes' room busy for the first semester.

Students in Mrs. Billy Widgeon's second grade enjoyed making some "backward bunnies" at Easter,

which they made out of colorful scraps of cloth bought by each student.

Several students in Mrs. Ruth Underwoods' sixth grade, Miss Clee Eatmon's third grade, and Mrs. Altermise Glover's second grade had some work in the display, too.

TRIPS

Students in Miss Rachel Bissette's seventh grade have been planning a trip to Chapel Hill.

The students in Mrs. Underwood's sixth grade had a sweet, sticky time at their annual taffy pull in
