Durham Takes Game That Looked Like Earthquake's

Bull City Youths Fight Bullock's Cohorts and Win Game by Snatching Lone Chance of Day

At 2 o'clock Friday, November 4, two evenly matched teams, Goldsboro and Durham, trotted on Riddick Field in Raleigh to decide which would continue the march toward the High School State title.

Durham received and started a drive that was not checked until they reached Goldsboro's 20-yard line. Mason on the first play kicked out of danger. Durham started another dangerous drive that was allowed to continue until she reached the 20-yard line. Here Goldsboro held and Mason again kicked out of danger. This time Goldsboro held and Durham was forced to kick. Mason received the punt running to the left with the entire team after him. As soon as he was tackled the team lined up, the ball was snapped and Mason threw a pass to Simmons who reached the 5-yard line before he was downed. Here Goldsboro lost her chance of scoring when the strong Crimson Tide held and Goldsboro could not carry the pigskin over. Durham was soon forced to punt. The second quarter was a punter's duel with Mason having a big edge over Hackney, of Durham. With about 60 seconds to play, Durham heaved a pass that carried them to the one-yard line and on the next play they carried it over for what proved to be the winning points of the game. The half ended with the ball in Durham's territory.

The second half saw Goldsboro fighting hard to overcome a six-point lead held by Durham who never threatened again. The third quarter saw Goldsboro playing Durham off their feet, but never getting within striking distance of the goal. With the opening of the fourth quarter the Earthquakes opened up their aerial attack but in vain. With the wind blowing strong passes went wild and she soon went back to bucking the line. Here she looked dangerous with Mason and Simmons carrying the ball from the 50-yard line to the 10-yard line. Again Goldsboro threatened but again the Crimson Tide held. Hackney stepped back to punt but Goldsboro in a last desperate chance, broke through to block her punt. Here they lost their last chance of scoring as Hackney picked up the ball to be tackled back of the goal for Goldsboro's only points of the game. The game soon ended with Goldsboro vainly trying to score by the aerial route. The outstanding men in the line were as usual the same big three, Captain Kelly, Spicer, and Metz, while Mason in the backfield deserves credit for his punting and returning of punts.

Holiday Game Goes To Roanoke Rapids

Armistice Day saw two football teams that did not look so peaceful. When the two teams trotted on the field it looked as if it were going to be a one-sided affair with Goldsboro on the small end, but Goldsboro soon showed that the old fight was still there and time after time they stopped the strong Roanoke team. After a series of passes and line bucks the Yellow Jackets pushed over the only touchdown of the first half.

At the beginning of the second half Roanoke on a trick play pushed over for her second touchdown. Goldsboro's touchdown came in the last quarter when she opened up her passing attack. Simmons threw a pass to Mason who carried it over for a touchdown. The game ended with the ball deep in Goldsboro's territory.

Metz and Kelly were both missed and the line was weakened considerably. Mason and Liles showed up well in the backfield, while Kelly (captain) and Wilson showed up for the line.

Sport Splotches

(By Kid Know-All)

We want to thank Mr. Weaver for the candy he supplied for the students at the Durham-Goldsboro game.

"No more monkey business," said "Skip" Haines as he entered the building at 8:45.

Archie helped out nobly at the game Friday. He was all dressed up; nevertheless he yelled and attracted many comments from the State College boys. (We wonder what kind?)

Ed Waters says he has turned over a new leaf this year. We would think this leaf is worn out after five other turnings.

Carrie M. Nash had better watch where she sits, especially on weenie roasts.

Suppose Garlie Forehand failed history and Cow Spicer lost 50 pounds.

Coach Ed Bullock selected an all-star backfield from the high school. "Petit Jim" Spicer was selected as quarter. His good head work won him the position. "Tiny" Beale and "Teeny" Metz were selected as halfbacks; their speed and ability to carry the ball placed them here. "Fat Man" Simmons was selected as full on account of his great weight and line plunging ability.

—Apologies to the varsity.)

TABLE TOPPLES AT FREMONT GAME

No one was injured when, from their eminent position on top of a table at the Fremont-Goldsboro football game, a few girls were thrown abruptly to the ground. The cause of their fall was the sudden toppling of the table which was of a folding type.

During the third quarter of the game, a crowd of girls decided to use the table as a grandstand. They climbed gaily upon it and were wildly cheering their team to victory, when the table, without warning, landed its burden on the rope surrounding the football field. One girl landed on the rope, but completed a "somersault" and landed on the ground quite comfortably. The other two found themselves sitting on the ground with the table, which was lying on top of them, a nice canopy from the drizzling rain. They were slightly dazed, but regained their feet immediately and proceeded to get up the table again.

This time, however, the girls took the precaution to balance themselves carefully. No more accidents occurred, and they viewed the rest of the game in safety.

More subscribers are needed to help pay the bills.

Letter Winners Show Up For First Outing

Prospects for Good Basketball Team Is Very Good, Says Miss Rountree

Nine girls who received letters for playing basketball last year are still with us. They are Martha Parsons, Bobbie Musgrave, Mildred Henderson, Mary Langston, Katherine Miller, Cora Fuller Collier, Olive Spence, Mary E. Hartshorn, and Elizabeth Herring. With this number and several others who are faithfully working, the girls are determined to win every game this year.

In order to develop an extra good team, the season was opened several weeks earlier than usual. It was hoped that enough girls would go out for basketball to have interclass games, but so far the number has not been great enough for class basketball. However, we have enough girls who have played before for a team and a scrub team.

The team practices every afternoon at the Wayne Memorial Building. It is very inconvenient for the girls to go there for practice, but judging from several encouraging reports, it is thought that the school will provide an outdoor court back of the school.

Seniors Defeat Weiners

In the big game, Seniors against Weiners, the Senior squad won by a huge score. In fact, the victory was so decisive that at the end the Weiners were completely subdued. The Weiners had as rooters, buns and mustard, but even the rooters had disappeared at the end of the game.

Many of the participants warmed up by walking out to the gridiron while others rode. In the first quarter the battle was so hot that a huge fire resulted. A run was made on Weiner sticks. In the second quarter the Seniors held the line and not a single Weiner or bun could plunge through. In the third quarter the opponents ran in some new players in the form of marshmallows, but the Seniors got the larger end of the score here, too. In the fourth quarter the few remaining marshmallows as well as the tin can in which they rode to the field were the victims of punts and forward passes. Those who were not too tired after this scrimmaged under that big sentimental-looking moon.

SOME LABOR

As the editorial staff slept last night, the business department kept busy 'til up in the wee hours of the morning. How? Oh, just making up this paper, we guess!

Team Is Accused Of Being Too Sociable

Durham Player Adds Rosette To Football Helmet as Championship Series Specialty

Our football team is just too sociable for words! Do you think that our men crouch down and face their opponents between plays without even a syllable to break the silence? No, indeed. They wouldn't think of such a thing.

When our quarterback is giving signals, our right end whispers to Durham's left end, "My dear, I think you ought to wear your helmet a little more to the right."

"Do you remember the one I had last year?" asks the Durham man. "Well, this is it."

"Why, it looks just like new."

"But it isn't. Do you know what I did? I just added this rosette to the brim."

"Dear, oh dear," murmurs the Goldsboro brute. "I wish I were as clever with my fingers as—"

The ball snapped into play and the fight is on. Durham gets the ball and the men line up again.

"My dear," says the Durham center to our center, "Do you know what the center on the LaGrange team told me last week?"

"About me?"

"Yes. Of course I don't believe it, but he said he thought you were too fleshly around the hips."

"He did? The old cat. Why, I know for a fact—"

At this point, the Durham man receives a kick from the quarterback which means that he is to pass the ball.

At the half, the teams are served tea in waxpaper cups and lady fingers were passed around. As I said before, our team is just too sociable for anything.
