All The Latest Dope  
by HERMAN PERKINS

As I sit down to write my last column, realizing that this is the last issue of the Hi News I'll ever work on, I can't help but feel a little sadness. My only hope is that the Hi News has covered the sports in GHS this year so as to satisfy you, the readers.

I am devoting this last column to those individuals of our school who stood out in the different sports during 1939-'40.

In football, the Quakes won five, lost three, and tied one, and placed fourth in the Northeastern Conference. Billy Powell and David McClenny were tops in the backfield and line, respectively. Captain Powell led his team in scoring with a total of 49 points, and was the leading offensive man in general. "Shoeball's" stalwartness in the line was a main factor in the Quakes' success. His job at center was always done well, and he was always there when an opponent tried to break through. Other members of the Quake eleven who stood out were Potter, Nickens, Howell, Liles, and Taylor.

The season's results in football line up like this:

1939 FOOTBALL RESULTS		
Goldsboro 19	Wilmington	0
Goldsboro 0	Wilson	6
Goldsboro 6	Fayetteville	6
Goldsboro 7	Washington	0
Goldsboro 0	Roanoke Rapids	0
Goldsboro 6	Rocky Mount	26
Goldsboro 39	Morehead City	0
Goldsboro 0	Greenville	7
Goldsboro 13	Tarboro	6
Goldsboro 40	Kinston	7

Won 5, Lost 3, and tied 2.

point after point. Ed led the team in points scored with a total of 66½.

The record for the cindermen:

TRACK RESULTS	
Goldsboro 34	Greenville 69
Goldsboro 73	Rocky Mount 31
Goldsboro 31	Greenville 69
Goldsboro 31½	Rocky Mount 72

In basketball the boys' team won nine and lost eight; the girls' team won four, lost six, and tied one. Standing out among the boys were Clyde King and Glen Johnson. Clyde rolled up a total of 114 points during the season and Glen was right behind him with a total of 104 points. Both of these boys gained berths on the Hi News All-Conference team.

One member of the girls' team that stands out in my mind is Marie King. She's Clyde's and Claude's sister and made the varsity her first year out. This lassie will bear watching next year.

The season's record for basketball looks like this:

Coach Johnny Johnson's baseball Quakes had about the most successful season of all. They won 13 out of 15 games for a percentage of .866. Brinkley Taylor led the team at bat for the season with a neat .532. For a complete resume of the team's record see information elsewhere on this page.

Well, I guess that just about covers it all. No, I won't be back. You see, I'm graduating.

## Coach N. Jeffrey Opines Athletic Year In General

In a recent interview Coach Norris Jeffrey summed up the sports year as follows:

"The baseball team exceeded all expectations, but football was a little disappointing. The team did not have much life until the last two games. Injuries to Potter and Edgerton at the first of the season may account for this fact.

Basketball was just about as expected. However, some games were lost that were expected to be won and some games were won that were expected to be lost.

Track was not so successful. A coach with experience in track is needed for this sport.

The students' support of our sports teams on the whole was very poor. The support of football was fair, of basket-

ball, very poor; and track, the worst in years."

In regard to the number of boys out for athletics in GHS, Coach Jeffrey said: "We have as many boys and girls out as can be handled by the present coaching staff and as many as can be accommodated in the dressing rooms, practice fields, and gym."

When asked how he thought participation in sports helped students, Mr. Jeffrey replied: "Some are helped physically, and others increase their self respect because of their ability as athletes. Many are helped to develop and continue lasting friendships."

## Trackmen Lose Last Meet To Rocky Mount Blackbirds

In their fourth and last dual meet of the season the GHS track team fell before Rocky Mount Blackbirds 72½ to 31½ Monday, May 20, at Rocky Mount.

Many field and track records were shattered by both teams. Holscher of Rocky Mount cut the 100-yard dash record by a second and also the 440-yard run by a full nine seconds. Bailey of Goldsboro equalled this record as he broke two field events, the most outstanding of which was the discus throw traveling 12 feet 1½ inches more than the old record. Other records were broken by Luper, Parker, and the relay team composed of Holscher, Luper, Mason, and Cade of Rocky Mount. Shumate of Goldsboro also broke a track record.

Bailey of the Quakes was high scorer of the meet with 13 points netted by two first places and one second place, while Luper of the Blackbirds was close behind with 12 points.
