Square Dance Used To Raise Funds For Delegate Expenses

A square dance was given last Friday by the D.E. club to raise money, which will send George Blackman to the National Association of D.E. clubs in Oklahoma City, Oklahoma.

George is president of the local club and was elected to be one of the five delegates to represent North Carolina at the convention.

During the evening, "smooth" dancing as well as square dancing was enjoyed. A door prize, a coffee table, was presented. It was donated by a local merchant. Various members of the club presented a floor show of music and comedy acts.

This is the fifth straight year a G.H.S. student has been elected by the state group as a representative. The convention is to be in early April.

What Does It Hold For You?

Like To Sing? Bet You Do

(By Margie Rose)

Like to sing?

You bet you do—and who doesn't? Of course, there're different types of singing, like opera, soap, and the different professional types, but I mean every day, group singing is in school.

As you know, there isn't much extra time in Goldsboro High School just for singing, so we have to take advantage of every opportunity. At lunch periods—that's a good time. Usually there's someone in the group who plays the piano and doesn't mind doing so. Lately, during the rainy spell, there has been less "hall" roaming and "hall" noises, for most everyone is in the auditorium singing.

When a few were asked if they enjoyed this kind of amusement, they replied "Yes" wholeheartedly. Let's see if we can't keep this "flame" going, and try to build a "fire" from it.

They left early Friday morning and were registered by 9:30. During the day they attended classes of music.

Students from all over the state attending the convention stayed on the campus of East Carolina Teachers College and the concert closing the convention was held Saturday night.

Polio Drive Nets Total Of \$905.34

A total of \$905.34 was secured for the Polio Drive at Goldsboro High School.

The totals of primary and grammar schools were: Walnut Street School, \$53; William Street School, \$498.23; Virginia Street School, \$67.61, and Edgewood School, \$92.04.

Miss Janie Ipock's homeroom won first prize in the polio drive with a total of \$3.87 per student.

The homerooms used new tactics in making the drive a success. Some of those used were selling candy, selling coat-hangers, auctions and a square dance.

"Much interest was shown by the students and fine cooperation made the drive a success," said Irving Ennis, chairman of the community service committee.
