

# Seniors Beat Varsity In Annual Football Game

Interscholastic spirit and competition came into the open Friday night, March 16, when the senior class of Goldsboro High School defeated the rising varsity squad in a rough and tumble football game 25-0.

The game was played in the Goldsboro High School stadium.

Typical of good football weather, it was very cold and only a very small crowd of around 240 people attended.

Coaching the varsity was Coach Chick Doak while Coach Norris Jeffrey headed the senior charges.

The first half of the game was played on equal terms with neither team ever really threatening to score. The senior squad was highly favored, but the uprising varsity showed their mettle and made it look as though it would be a tight finish. The third quarter was played on fairly even terms until with only 6 minutes remaining, Quarterback Ronald Percise took the ball on the varsity 45-yard line and raced down the sidelines to the 5-yard stripe to set the stage for the first senior touchdown.

Seconds later, Watson raced across the goal line to send the seniors into the lead. Percise passed to Gurley in the end zone for the extra point.

From then on, it was merely a route. The second score came on a fine pass from Percise to Gurley to make it 13-0. Attempted conversion failed.

Third scoring was done by Bobby Watson when he went over tackle with only 1:27 left in the third quarter. The kick was blocked. Final scoring for the night was done midway of the last quarter when Percise passed to Frederick for another senior touchdown. The extra point was no good.

This was the third victory in a row for the seniors in this annual affair. They won 7-6 in 1949 and 13-0 in 1950.

## Jayvees Bow To Fayetteville Squad

A spectacular rally midway of the third quarter enabled the Fayetteville junior squad to pull ahead and defeat the Goldsboro High School jayvees 34-26 in their return engagement. The Baby Bulldogs had defeated the G.H.S. quintet earlier in the season 60-26. The game was played in Goldsboro on February 3.

The Baby Quakes started out like a house afire grabbing a first quarter 9-2 lead. They still lead at half-time 18-12. They fell behind 26-24 on a field goal by Black and never again held the lead.

For the victorious Baby Bulldogs, it was Black and McArthur taking the lead with 14 and 12 points. High scorer for Goldsboro was Jenkins with 8.

## Raleigh Juniors Defeat Jayvees

Completely out-fought and out-scored, the Goldsboro High School juniors suffered one of their worst defeats of the season at the hands of the Raleigh jayvees by a score of 55-32. The game was played in the Needham Broughton gym in Raleigh on January 30.

Playing on their home court, the Needham Broughton boys completely left the local squad in the dark as they ran up the score throughout the entire game, there was little doubt as to who the victors would be, so lop-sided was the playing. The score by quarters illustrates this. The Raleigh points are listed first: 16-4, 29-9, 34-22, and 55-32.

## DISC HITS

(By Frank McInnis)

1951 is going to be an unusual, a most unusual year for popular music if things continue to ripple along as in the past few weeks. Never, never before have so many songs, really good, catchy songs, cluttered the market as recently. If you're in doubt as to this, glance at the list of today's output and hold every song you hear nowadays for examination. You, too, might awaken to the fact that never before have things been better. At least, you can't count every popular tune of the day on your ten fingers.

Many of the top hits are the ever popular love tone of emotion, the song field's most substantial supporter. But there is besides a fine variety of numbers high on the parade's tide of popularity.

Now "Barrelhouse Bessie" might be no world beater, but we'll say it shames "Pistol Packin' Mama". "Be My Love" took quite a while to latch on, but we think it is rising fast this very minute. How about "If?", "Tennessee Waltz", "My Heart Cries o'Fr You"? If each had been separately released and a little time apart, they would have topped their day's Hit Parade. Quite a furor might have occurred, but their magic has been lost in the

And then there is "If You Got The Money, Honey, I Got The Time"! And a colossal revival of "Aba Dabba Honeymoon". Plus the movies' "House of Singing Bamboo", "Life Is So Peculiar" and "Nevertheless". By the way, the latter is another sensational revival melody that steps from the far away past to return to the Hit Parade.

Popular music is having a wonderful life, this year. Look for yourself and if you do remember the lean three years past, you'll rejoice and hope the boom continues.
