Wilmington Fan Likes Sportsmanship At GHS

Goldsboro High School
Goldsboro, N. C.

Attention: Principal

Dear Sir:

On October 26, we had the privilege of seeing the football game between New Hanover High School, Wilmington, and the Goldsboro High School.

We thought it would be of interest to you to know the impression your school made on us as spectators. Your school is to be commended for the splendid display of sportsmanship even in the face of defeat. It is natural that we all want to win; but the display of high quality sportsmanship is very important. It will be remembered long after the score is forgotten.

We particularly want to call attention to the band, which displayed the same degree of enthusiasm when the Wilmington team entered as they did when Goldsboro entered the playing field.

We thought this work of recognition should be passed on to you, since we have heard others make similar remarks.

You should be proud of your achievement of this high standard of excellence displayed in the character of the students.

Yours very truly,
J. E. HICKS

Musicians Again Under Griffith

Under the direction of Andrew Griffith is the music department at GHS.

This department consists of both boys and girls. This year there are two classes of girls' glee club and one class of boys' chorus. There are 115 people in these classes combined.

The music department has already given us one concert, and Mr. Griffith said that in the future they intend to give us more.

Anyone at GHS is eligible to be in either one of these classes because they are electives. These electives are available to freshmen as well as all other classes.

Poll Shows Students Prefer Truman And Ike

Truman and Eisenhower would run a close race if GHS students could vote for president of the United States. Of ten students interviewed, five preferred Eisenhower, four favored Truman and one MacArthur. Here are the opinions of the students:

Charles Foust: I prefer Eisenhower because his military experience would make him more capable for this responsibility.

Edith Hudson: I think Eisenhower would make the best president because his military experience would be helpful.

Pat Pittman: I like Truman, and think he has done the best he could under the circumstances.

Joyce Taylor: Truman has proven he is not capable of being president and I like Eisenhower better than the other two.

Barbara Godwin: I'd prefer Truman because just military knowledge is not going to make a good president. I don't like Republicans so that eliminates Taft.

Lois Underwood: I prefer Eisenhower because his experience in the military services would make him capable of defeating the problems that a president would have to cope with.

Hazel Forehand: I think MacArthur would make a capable president because he is internationally known and is popular with most Americans.

Henry Jenkins: I prefer Eisenhower because his military experience would make him capable of dealing with the military problems that arise.

Lee Freeman: I prefer Truman because his experience in dealing with foreign affairs would continue to be helpful.

Lewis Sutton: I'd like to see Truman run and win again because I think he has not been given a real chance to show what he can do.

Nancy Bridges Is Varsity Sweetheart; Crowning Held During Raleigh Game

Nancy Bridges, GHS senior, was chosen Varsity Sweetheart of 1951.

The announcement was made at the homecoming football game with Raleigh on October 19.

The ceremony began at halftime as the GHS band formed a V and played the "Victory March." At this time Carl Kassell made a short talk over the public address explaining how the sweetheart is elected. He then announced her name and she was escorted on the field by Morris Gurley and Tommy Johnson.

Mr. Clifton Britton placed the the Varsity Club regalia around the sweetheart's shoulders. Geraldine Price, Varsity Sweetheart of 1950, presented her with a bouquet of roses.

The lights were then turned off and the band formed a heart, while playing, "Let Me Call You Sweetheart." The band members had small lights on their hats which made the heart appear red.

Nancy was elected by virtue of beauty, personality, and character. The crowning of the Sweetheart is an annual event. She is elected by secret ballot by members of the Varsity Club and will reign over the Varsity Club dance in the spring.

the comedy will be Red, Pete, and Tim, played by Gurney Collins, William Ginn, and Charles Strider. Others making their first appearance on the stage will be Craven Mackie, Martha Wallace, Billie Lou Grantham, Betty Ann Cooke, Paul Glisson, Nancetta Hudson and Ruby Hughes.

Steve Dail, Theodore Roosevelt of "Arsenic and Old Lace," will appear, without his harmonica, as Mr. Massoula.

Mr. Clifton Britton will direct "Father of the Bride," which promises to be a comedy that the whole family will enjoy. It will bring to the stage many new faces and hidden talent.

Latin Club Elects New Officers

The forming of the Latin Club for 1951-52 was begun on November 1. The new president, Bobby Kadis, presided. The showing of the movie, "The Last Days of Pompeii," was discussed. It was decided to try to order this movie and get it here before Christmas. If this movie is brought to G.H.S., it will be shown to the entire student body.

The president explained to the new members what the Latin club key is. It is a small silver key given each year to the person contributing the most service to the Latin club.

A party was discussed and it was decided to wait until later to make further plans.

The new officers were introduced to members of the club and committee chairmen were appointed. They are as follows: finance, Shirley Cooke; directory, Mary Louise Bizzell; party, Patsy McLamb.
