

Bits + Pieces

by Sue Ford

Have you noticed anyone missing in the halls lately? Probably not, since it's a miracle to get from one class to another without being torn apart, bet English 11X and Journalism-N students have noticed that one friendly, familiar face is missing: Mrs. Williams'.

Have you ever taken an aptitude test for a job and discovered that you've forgotten how to add and multiply?

The Juniors will soon be getting their class rings. But although they have worked for eleven years to earn them, they will give them to their boy- or girl-friend almost immediately!

Did you ever stop to think that with a student body 1500-strong, we could put into effect almost any policy that we wanted, if only we would pull together.

Congratulations to the Juniors who suffered through not only the PSAT but also the NMSQT (National Merit Scholarship Qualifying Test) on Saturday morning, October 23.

Monday through Friday, 8:30 a.m. - 3:05 p.m. seems like an eternity. But isn't it mirac-

ulous how fast 3:30 - 10:05 p.m. passes? Yet it's the same amount of time. And don't Saturday and Sunday slip by much faster than do Monday and Tuesday?

Have you ever noticed that by the time you struggle through translating a joke written in a foreign language that it is no longer funny?

To show school spirit for Homecoming, Monday, October 18 was declared "sloppy-clothes-day". But it seems that some people decided they should dress up on that day to show their school spirit, since their normal dress was sloppy!

Have you noticed the "Go Gryphs" signs attached to car antennas? We have our cheerleaders to thank for them. Thank-you, Cheerleaders!

Mrs. Williamson says that when you dream in French, you really know the language. She says that she dreams in "French technicolor." But the closest most of her students come to that is dreaming about failing a big French test!

VICA Club Elects Student Officers

VICA Club officers at RMSH were elected for the school year 1971-1972 on October 5, 1971.

Ronnie Hedgepeth was elected president. Ronnie's job is to preside over all meetings, and to impartially judge the interests and abilities of others. The other officers include: Mike Willis, first vice-president; Mack Gold, second vice-president; Wanda Dortch, secretary; Richard Bulluck, treasurer; Walter Thorpe, parliamentarian; and James Harrell, news editor. James is in charge of publicity.

VICA is open to any student in North Carolina in a Trade and Industrial Education course. The goal of this club is to develop leadership, character, and citizenship.

The Vocational Industrial Clubs of America or the VICA club is made up of the students who participate in Industrial Cooperative Training. The club is now in its third year with Mr. Watkins as their advisor.

VICA is involved in regional contests where the members exhibit the abilities they have learned through the organization.

The new Sophomore officers for the year 1971-1972 are left to right: Larry Kimble, Vice President; Grace Dortch, Secretary; Gerry Brabham, President; and Zack Perkinson, Treasurer.

Officers Perform Services Of New Sophomore Class

The sophomore class of RMSH elected their class officers for the first semester at the end of last year.

The new officers are: Gerry Brabham, President; Larry Kimble, Vice President; Grace Dortch, Secretary; and Zack Perkinson, Treasurer.

Gerry is the son of Mr. and Mrs. Gerald W. Brabham of 2824 Amherst Road. He is familiar with his office and duties as he was President of the Freshman class at R.M. Wilson last year. His job is to preside at all sophomore class meetings.

Larry is the son of Mrs. George W. Kimble of 136 Spaulding Drive. His job is to take place of the President when he is not present, and to assist the President during class meetings.

Grace is the daughter of Mr. and Mrs. James E. Dortch of 1016 Drew Road. She was the Secretary of the freshman class at R.M. Wilson last year. Her job is to keep accurate minutes

of all class meetings.

Zack is the son of Mr. and Mrs. Z.F. Perkinson of 106 Clifton Road. His duties as treasurer are to keep accurate records of all money that the class receives during the semester.

One money-making project for the sophomore class is the magazine sale. They are now waiting for permission from Mr. Newbern to have the refreshment stand at the basketball games. This was done last year, and hopefully the class will be able to have it this year.

The sophomore class seems to have gotten off to a good start this year, thanks to their dedicated officers and eager class members.

RMSH Delegates

(Continued From Page 1)

officers for the N. C. Student Council Congress are elected by the school representatives to serve for the year. RMSH will be represented in these elections by Steve Braswell, running for first Vice President, and Lynn Carter, running for Secretary.

All member high schools and junior high schools throughout the state will be represented at this annual meeting.
