

Debbie Wooten and Russell Ruffin are elated over their Rotary Selection.

November's Rotary Couple: An Excellent Selection

The month of November is getting slightly chilly, but there are two bright shining faces to warm up the halls of Senior High. These two people are Debbie Wooten and Russell Ruffin, Rotary Couple for November.

DEBBIE WOOTEN

For those of you who don't know who Debbie Wooten is, just look behind the lecturn at a pep rally and you will see her. She is this year's school spirit chairman. She contributes greatly to pep rallies because her enthusiasm seems to be contagious.

When Debbie is not busy yelling at pep rallies or studying in school, she enjoys swimming, tennis, and dancing.

When asked how she felt when she learned of this honor she

said, "I was shocked, I felt honored."

After graduation Debbie plans to attend an Airline School in Atlanta, and wants to be an airline stewardess.

Debbie lives at home with her parents, Mr. and Mrs. Graham Wooten at 325 Linden Avenue.

RUSSELL RUFFIN

Russell Ruffin is a friend to everyone. His bright smile brightens up the halls at RMSH.

Most people know Russell as the Treasurer of the SRA. But he also does many other things. He is a member of the RMSH band, he sings in the Modernaires, and was a member of the SOS club last year.

In his leisure time he enjoys playing the piano and playing basketball. He also enjoys his task of playing the piano in his Sunday School.

After graduation Russell plans to attend North Carolina Central University and major in History or music, and when he graduates from college he plans to teach either history or music.

Russell lives with his parents, Mr. and Mrs. Russell Ruffin Sr. of 207 Myrtle Avenue.

Congratulations to two very deserving people!

Rapped In Soul —by William Farmer

We, as young people love music whether its soul, rock, contemporary. This is the reason I have replaced Soul Explosion this issue for Rapped In Soul. This column will check out the new records and LP's of your favorite soul artists. The next musical variation will be Rapped In Rock covering the latest rock and

contemporary music.

The number one soul sound across the nation is "I'll Be Around" by the Spinners. This is their first big recording on the Atlantic label, and wow, it's nearing the million seller mark. This is their best since "It's A Shame."

Hub, what's that you say. Something about my main man Freddie! He's dead. "Freddie's Dead" (theme from Superfly) has to pen America by storm. But dig it. Superfly is now the number one album.

Now to break it down to the real and natural thing . . . from out of Philly came the fabulous Harold Melvin and Blue Notes singing: "If You Don't Know Me By Now". This sound has blown my soul lovin' mind. The name of the group doesn't hit me but that sound has got to be it.

Al Green has done it again. How can he always come up with that special sound. "You Ought To Be With Me" will

grow, grow, grow, and grow to be another million seller.

The Tempts have come up with over seven minutes of soul. "Papa Was A Rolling Stone" is an excellent combination of vocalization and musical harmony.

The best new single of the week belongs to The Undisputed Truth, Girl You're Alright and the album of the week is "Reeper of The Castle" by the Four Tops. I like to say welcome back Levi, Lawrence, Duke, and O.B. This is their best since "Still Waters Run Deep."

Songs to watch are: That's How Love Goes, by Jermaine Jackson, I'm Stone in Love with You, by Stylistics, Theme From "The Men", by Ike Hayes.

The number one gospel album is "Amazing Grace," by Aretha Franklin and James Cleveland. James Cleveland a renown gospel singer teaming with the great Aretha to sing the praises of God. I congratulate them on this great effort in gospel entertainment.

Right On!

Trial Held In Business Law Class

Have any of you ever heard of the case -- Creech vs. Class? Well, you should have. Many first period classes went to see this trial. It might be another Sacco-Vanzetti.

On November 3, 1972, Miss Creech and Lossie Deans were tried for breaking College Bowl Rules. The College Bowl Game was designed by Miss Creech as a review for tests. One of the rules for the game is -- a student can not participate twice in a game, unless everyone else has already participated once. Lossie Deans took an absentee's place. The students, represented by Chris Perryman and Libby Dodd, issued a complaint following the game. The plaintiffs' attorney was Chris Perryman. Miss Creech's attorney was Fred Turnage and Lossie Dean's attorney was Tommy Batts. Mrs. Dudley served as the Judge. Both Miss Creech and Lossie were found guilty by the all-student jury.

Miss Creech set up this mock trial for the purpose of letting her students put to use what she has taught them. She seemed very pleased and felt that her students had greatly benefited from the trial.

Mr. Fred Turnage, a local attorney, was a guest at the trial. Afterwards, Mr. Turnage summed up the case and tried to explain to the class their errors and their good points in the trial. He was surprised and delighted with the students reactions.
