

Call them at 5000 or go to 84 Central House, First Street."

"And now, friends, for the sports review of the day. First I see where Mr. Earnest Moose, Route 4 of Porter, N. C. broke the state-side contest for delivering 500 bottles of milk in the shortest length of time. "Mac" M. C. Morgan and P-nut Grover Rogers, the heart-locked pals of a track, have broken the racing track record of time and will try for high speed record in their new streamline racers at Miami Beach, Fla. next Saturday. "Mac" will be at the wheel. The all-American girls' basketball team have a set record that's hard to beat this year. The team is composed of Louise Lefler, Miriam Kennedy, Ruth Kissiah, Charlie Morgan, Lillie Mae Miller, and Myrtis Martin. MY! it looks like our old girls friends are getting "ahead". They surely need one. Well, keep it up, girls. Miss Karleen Swanner of Albermarle has won a silver cup at the Central Park Pool for floating the longest in water. Misses Marie Stewart and Edith Morton are training for the swim of the season this summer. The distance will be ten miles. Miss Marge Lou Tucker holds that title now. Hold to it, Tucker. Miss Foy Furr will try in the piano contest for playing the softest, fastest, and longest. The contest is to be in Washington on Friday of next week. We hope you win, Foy. Mr. George Redwine and Robert Saunders will compete in a rifle contest tomorrow at Hollands Old Field at 2:00 o'clock. The winner goes to Raleigh in two weeks to shoot off the state-wide contest."

"And now "Happy" will favor us by playing "Farewell". So long, friends until 19- ."

I rushed to the dial to see where the program was coming from. No word was said as to what town. After a strenuous trial of the small radio set, I gave up getting the station back. Well, this was pretty good, so I wrote what I had heard, and my prophecy was completed. I decided that after all there was a Santa Claus, and maybe, by tinkering with my radio again, I might get contact with the past and future, and have voices of other ages speaking to us; who knows?
