

ORGANIZATION OF HOME ROOMS

Last week the home rooms of the high school elected officers and organized for the coming year.

In each room a president, a vice-president, a secretary, a treasurer, and a cheer leader were elected. Attendance, welfare, and house-keeping committees were appointed. The duties of the attendance committees will be to help with daily reports, investigate absences, and promote better attendance. The welfare committees are to provide flowers in case of serious illness or death. The work of the house-keeping committees will be to keep the home room conditions as attractive as possible.
