The chapel program of Friday, October 18, was given by Miss Hipp's home room, section I of the tenth grade. An original one-act play, Columbus Discovers America, was presented in modernized burlesque. The leading parts were taken by Carl Parker as Indian Chief and Franklin Niven as Columbus. A number of other students had parts in songs and dances. While the pupils made it clear that they were not presenting accurate history, many traits of Indian life were illustrated.
