

Who's Who

VIRGINIA BOGER

Virginia Boger, the daughter of Mr. and Mrs. M. A. Boger, is one of the most popular and attractive students in our school. She is a slender girl with blue eyes and brown hair.

Virginia is outstanding in all her classes, and since coming to high school, she has been on the honor roll every year. She belongs to the Dramatic Club and is now the vice-president of section one of the senior class.

When it comes to sports, she prefers tennis, and she weilds a "wicked racquet".

As to boys, she likes blondes with freckles, but is not interested in anyone at the present, (So She says)

She is a girl of marked ability and no doubt will prove to be most competent in the stenographic work she expects to prepare herself for next year. Virginia will undoubtedly hold her place as one of our best students.

S. A. BOAZ

S. A. Boaz, Jr., son of Mr. and Mrs. S. A. Boaz, is, we all agree, one of our most popular students. With the tall physique of an athlete, brown curly hair, and twinkling brown eyes, he naturally attracts attention - particularly of the girls, though he denies having a favorite.

To most of us, S. A. is known for his ready wit and ability to draw cartoons. Many do not realize how versatile he is. Somehow, he finds time to play football, his favorite sport, write poetry and draw for The Full Moon, attend to his duties as president of the Athletic Club and president of Section One of the Senior Class, and prepare his lessons well.

S. A. is studying to be a telegraph operator, and we, who know him well, feel confident that he will be an unusually capable one.
