

Who's Who

WILHELMINA EFIRD

One of our most popular Seniors is Wilhelmina Efird, a pretty and attractive blonde.

"Will", as she is called, has so much pep that she was elected one of the cheer leaders in the Boosters' Club and for the high school. She is also secretary of her home room. During her four years in high school she has made a good record in scholastic work. Throughout high school she has been an active member of the Dramatic Club, taking part in such plays as "Seven in One", "Spanish Moon", "The Hoodoo", and "The House of the Flashing Light".

Wilhelmina refuses to express her preferences among boys or vocations, but whatever her choice, we predict for her success with both.

W. C. CORRELL

W. C. Correll is one of our most deserving Seniors. As editor-in-chief of The Full Moon and president of the Journalistic Club, he is proving his capability. Those who doubt his ability to draw and write, should read his editorials and examine the "cuts" - for which he is responsible - in this Thanksgiving issue.

W. C., a typical blonde, with a pleasing personality, has won many friends throughout the school. He is a dependable student, a member of Y. M. M. A., and treasurer of his home room. Although he is a misogynist, we warn him - "there will come a day!"

When "Dub" realizes his ambition to become an aviator, we all will wish for him "happy landings".
