

ALBEMARLE WINS OVER BADIN

On Friday, November 22, Albemarle closed the 1935 football season by defeating Badin 39 to 0. Badin played a good defensive game in the first quarter, and Albemarle scored only once; but later Badin gave way before the well-executed passes used by the Bulldogs. Osborne, Curlee, and Talbert each scored two touchdowns, and three extra points were made. Albemarle outweighed Badin by a small margin. Albemarle's line was outstanding, and Badin was thrown for losses several times. This was Albemarle's seventh straight victory as compared with only two defeats.
