A. H. S. PLAYS HARGRAVE
The tennis team played the Hargrave netters at Chatham, Virginia, on May 8 and were defeated 9-0 after a hard struggle. Thomas Loftin, former Bulldog star, was number one player for Har-

grave. Those making the trip were Bill Mann, Max Russell, Paul Long, Carl Helms, John Snuggs, Bill Fulton, and Oron Rogers, accompanied by Coach McFadyen. While in Chatham they were the guests of Hargrave Military Academy.

Senior Athletes Win Recognition

The Seniors whose names will go down the Bulldogs' Athletic Hall of Fame will be "Ernie" Saffrit, "Cob" Talbert, "Red" Whitley, Robert Osborne, "Shank" Niven, "Ikey" Greene, all being graduated this spring. These of these athletes, Saffrit, Whitley and Niven, were three-letter men this year, receiving monogram for participation in football, basketball and baseball. Talbert and Greene showed ability by obtaining letters in two of the major sports. Osborne, captain of the Bulldogs, was selected by the conference coaches as one of the backs on the All-South Piedmont Eleven this year.

GIRLS' BASKETBALL

Prospects For A. H. S. Sports In '37-'38

After a recent interview with Coach Canipe, the sports reporter feels sure that the athletic teams of '38 will be even better than those of this season. First comes football, which will find itself losing six competent lettermen by graduation. However, each place is to be filled with two dependable, if less experienced, players. The entire backfield, with the exception of "Buck" Mabry and "Ace" Parker, will be lost. The line will lose two, but heavy reserves will set it back in working order. Arlie Faulkner and Bill Mann will fill Shank Niven's vacancy at center. Other linemen will be Paul Mann, Olyn Lowder, "Ikey" Williams, "Red" Lowder, Riley McSwain, Ed Swanner, Ralph Harwood, and others from the midget team. The line will be much heavier than last year's. Most of this year's girls' basketball team will be back, and with the spirit and ability shown at the close of the season, they should have the best year yet. In the boys' basketball, four lettermen, Saffrit, Whitley, Niven, and Greene were lost, but lettermen for each position will return. In tennis the entire boys' and girls' teams will return with exception of Rosalind Hurt, Julia May Rowland, and John Snuggs. The baseball team of '38 will be one of the best offensive teams in A. H. S. baseball history. Six efficient men will be lost through graduation. Three pitchers will return, Furr, Mauldin, and Harbrook. "Coolidge" Clayton and Ted Wallace will be behind the plate. Jack Williams and Bill Furr will be in the infield.

TENNIS TEAMS

GOOD SEASON FOR NETTERS
Coach McFadyen's tennis team had a good season without being twice downed by any team. Bill Mann and Rosalind Hurt were the victors in the annual tennis tournament.

TENNIS COURTS IMPROVED
Through the purchase of a much-needed net, reel and roller the tennis courts have been greatly improved. It is hoped that for next year the new court will be in splendid condition and that for the lines the school will purchase a wet marker which can also be used on the gridiron.
