

CHAPEL PROGRAMS

Band Concert Given

The Albemarle high school band, under the direction of Mr. Pat Leonard, gave a musical program in chapel Monday, October 11. They presented four numbers: "Integrity," march; "Golden Dragon," overture; "Bombast," march and "Victory," march. The band hopes to compete in the state contest to be held in Greensboro in April.

Miss Lee Smith Heard

Miss Lee Smith, local lawyer, spoke in chapel Monday, September 20, on the Constitution of the United States and the signers from North Carolina.

The interesting and informative talk was enjoyed by all the student body.

NEW ROOMS ADDED

(Continued From Page One) pher. New tile floors have been laid in the offices of the principal and superintendent.

There are also two attractively furnished teachers' rest rooms. A former classroom has been made into a bookroom where all textbooks can be stored conveniently, while the old bookroom has been given to the Journalistic clubs for their use.

The library and the study hall have been combined into a well-appointed schoolroom that Mr. Hook, the architect, states he regards as the most perfect that he has ever designed.

A new fifty-gallon aquarium of the modern type has just been installed in the biology department. Another addition is the new piano bought to replace the old one which has served the school many years. The piano was auctioned off to Jean Lovler, who later sold it to Hilda Foreman.

Musical Evening

An entertaining musical program was presented in chapel Friday, October 8, by Wade Denning's Swingers and the P. T. A. band.

Mr. Propst sang several numbers, including "The Rose Tree," "Blue Hawaii," and "Blue Hawaii." His performance was received by the students with enthusiastic applause.

The Swingers presented several popular numbers including "Song of India," Mr. Ghost Goes to Town," "The Rose Tree," and others. Members of the orchestra were Wade Denning, leader; Carl Helms, Sammy Andrew, James Morgan, Van Betts, Hoyle Carlie, and Bailey Gledge.

The orchestra has broadcasted from station WBT in Charlotte and has also played for several local entertainments.

My First Impression of Albemarle High School

My first impression of Albemarle high school was very good because of the friendly spirit that prevailed. There was a lot of teasing, but only so much as it was all in fun. One of the best suggestions we were given was that there should be a "buddy" system. All the teachers were very considerate and helpful in every way.

There came a time, however, for more serious business. We had to start thinking about lessons, as we had to start to work for the first day. We were given plenty of lessons, but we found that with a study period it is not so hard to prepare them.

My first impressions are leading daily to more and better ones. ELLEN HEARNE.

LETTERS TO EDITOR

(Continued From Page Two) teaches French, she is a Frenchwoman. When she is not teaching French, she is an American!

Dear Editor: Does Mr. Fry really play an organ with a pipe at the Presbyterian church? A Musical Freshman.

Yes, he does, but last Sunday the organ left its pipe at home. P. S. Poor organ!

Dear Editor: Why does Miss Caughman say that algebra solves all mysteries? Is it because X marks the spot? A Detective Freshman.

Answer: That is the only possible reason because that is all it is good for.

Dear Editor: All the football games will be bleachers that the colors out of our clothes? A Sissy Freshman.

Answer: No, the only thing that will take the color out of your clothes is the paddles the sophomores use. They will only take the color out of your pants.

Dear Editor: The other day I started to get a drink of water, and a senior said to me, "There's H₂O in that fountain." But I'd already drunk it. Am I poisoned? What shall I do?

Answer: Between classes go to Miss Moore's biology department and drink a gallon of water out of her 500-gallon aquarium. At night be fore you go to bed, read "Gone With the Wind".

Health Officials Address P.-T. A.

Dr. W. N. McKenzie, county health officer, and Dr. Carl Moore, of the department of oral hygiene of the state board of health, were the speakers at the monthly meeting of the P. T. A. held in the central elementary auditorium, Dr. McKenzie discussed communicable diseases, and Dr. Moore discussed the teeth and proper diet. The meeting opened with the invocation by C. D. Whiteley. A feature of the meeting was two baritone solos by Guy Peters. The free picture show tickets will be awarded to Miss Law's eleventh grade, section one.

Have Mercy On The Proof Reader

The typographical error is a slippery thing and sly. You can hunt till you are dizzy. You can somehow will get by. Till the forms are off the press it is strange how still it lies. It shivers in the hands of the printer, it never stirs or coers. That typographical error, too small to see, it grows to mountain size. Till the ink is on the paper, not till it grows to mountain size, then he grabs his hat and groans; The printer drops his head upon his hands and moans—The remainder of the issue may be clean as can be. But that typographical error is the only thing you can see. *Knoxville Express.*

SIX NEW MEMBERS

(Continued From Page One) Miss Doris Cokerham, who is sponsor of the recent graduation of W. C. U. N. C. She is teaching shorthand and typing in our commercial department. When asked about her interest in sports, she promptly replied, "Swimming is my favorite, but I swim in all!"

Miss Willie Ellerbe is our new instructor of junior English in our commercial department. A graduate of Winthrop college, she is a native of North Carolina. Recently she has taught in the high school of Summerville, S. C.

Miss Elizabeth E. Reading more than any other pastime. One of her hobbies is raising flowers.

Miss Fay Holt, whose name is near Graham, was graduated from high school last spring. She is an athletic girl whose subject matter to teach, for her classes are in history, sociology, English and physical education. She has recently organized the Girls' Athletic association and is to be coach of the girls' basketball team this year. One would suspect, her main interests are in sports, basketball being her first choice.

Guy Propst, whose home is in Salisbury, was educated at Catawba college and N. C. Last year he taught in the business college at Shelby.

In our school he is teaching bookkeeping and freshman English, and in addition, a class of typing after school. Under his supervision a new club for amateurs has already been organized. When questioned about his favorite sports, Mr. Propst responded, "Football and baseball." Like many of the other new faculty members, he also enjoys a good moving-picture, particularly one in which Joan Crawford is featured. Being unusually talented in music, Mr. Propst has another pastime in playing the piano and singing, his preferences being classical and semi-classical selections.

POETS' CORNER

(Continued From Page Two) And tests, oh heavens, they fierce! 'Tis grand to make a cry: You think you've done so well there— You turn up with an E! The midnight feasts are grand. To sneak in some one's nap. But if you're caught, it's not fun. To hear the counselor don't. Don't think I dislike college. There's good and bad in it all. Against the hardest was this fall.

HALLOWEEN

(By Sadie Pickler) Listen, my friends, and you hear Of a curious time that's near.

On every hand there's a tree, And goblins lurking believe me, With jack 'o' lanterns high, And witches riding in the sky. Yes, each night 'tis almost this spooky night of Hallowe'en. We'll laugh as though we've seen A single ghost at Hallowe'en.
