

# WHO'S WHO

INEZ OSBORNE

A popular and well-known executive is Inez Osborne, whose executive ability has enabled her to hold various offices in high school. In '36 she was president of her home room and accompanist for the Girls' Glee club. Because of her pep and interest in sports, she has been elected president of the Boosters' club and head cheer leader this year. She is also president of her English club.

Inez not only sings and plays well, but she is talented as a dancer, often appearing in public performances. She is a good sport and has a sense of humor that makes her an entertaining companion.

Football is Inez's favorite sport, while she enjoys riding and driving a car as pastimes. Because of her love for outdoors, she is very fond of hunting. As to literature, she prefers Shakespeare, and novels, such as "Too Smart for Love."

After graduation, Inez plans to enter Woman's College in Greensboro, where she will specialize in commercial work. We are sure she will make a competent stenographer or secretary.
