

A. H. S. SPORTS

BULLDOG BARKS

More-Meat Morgan

As Mr. Gibson has said, give sentences with meat in them. Now his could easily apply to one of our good-natured boys whose name is Lewis (Hootchie) Morgan.

After the baseball game in Thomaville last Tuesday, the boys went down to get something to eat. All the boys went into the cafe. Each one was ordering something when "Buck" Mabry noticed "Hootchie" leave the cafe. He remarked to the others that Lewis had gone out, but no one paid any attention, they being busy.

"After finishing the meal all the boys went back to the car. There they found "Hootchie" eating. They all inquired where he got the food.

"It's just like this," explained "Hootchie." "I went in the A & S. Store and gave them the old hard-luck story. I wobbled in like I was exhausted. I leaned against the counter and told the man that was far away from home, had no money, hungry, and that I would appreciate anything that he would give me to eat. He asked me which I had rather have, pork and beans or potted ham.

"I told him, 'If you don't mind, I'll take potted ham because I don't have anything to open the pork and beans with.'

"So he gave me two cans of potted ham with the keys to open them with and a loaf of bread to accompany them. I thanked him and old him that I certainly did appreciate them."

Girls Go Salisbury

The girls' basketball squad spent Friday afternoon in Salisbury, attending the May Festival at the high school and a camp-fire upper at Catawba college.

The girls, dressed in blue and white play suits, participated in the various sports: tennis, volleyball, bowling, soft ball, and games. Leaving the high school at about 5 o'clock, they drove over to Catawba college for supper. There they played "bet-acquainted" games.

At the regular meeting of the Girls' Athletic association Thursday night, Miss Freeman, the guest speaker, talked on the "Magic Squares".

Baseball, Tennis, Yo-Yos

Coach said he was going to cut off all the weak hitters. Who's hat that's batting .125?

The tennis players are coming along well. With three letter-men back from last year, and one man year before last, we should make a good showing. After seeing "Smiling" Jack play, we can see why he made the Davidson tennis team. The girls' team is also coming along nicely, with daily workout in the gym.

Yo-Yos are still popular. "Fluff" Morton and Bill Hatley have the largest. What about Robert McSwain's made of phonograph records?

Swanner Turns Farmer

Tommy Swanner, the all-around good little boy certainly did at the ha, ha, and whah, whah from a group of baseball players the other day.

While on the trip to Thomaville, one of the boys remarked that there certainly was a pretty field of wheat. Others gave some comments about it also.

Then Tommy said, "It will soon be ready to mow, won't it?"

Volley Ball Tournament

The volleyball tournament will be played off between the classes 12 week (freshman, sophomores, juniors, seniors, and twelfth grade). These games should be interesting, as there are good players in each class, and the teams will have real competition.

All these games will be played in the gym after school. Everyone invited to come out to see these games.

Hallie Lowder, Grace Cranford, and Mildred Austin has no certain place on the cone. The one thing you can be sure of is that they won't be in their own position.

* indicates perfect attendance.

A. H. S. Players Given Conference Ratings

Albemarle had two players placed on conference teams selected by coaches of the South Piedmont Conference this year. Grace Cranford, guard, and Keith Almond, guard and high scorer, were placed on the second string. Helen Russell, forward, received honorable mention.

This is the second year that both Grace and Keith have been selected on conference teams.

Tennis Prospects Are Favorable As Practice Is Begun

The girls' tennis team, under the supervision of Miss Holt, has begun its spring practice inside the gym while waiting for the courts to be put in order.

Prospects look very favorable with three of last year's team, Josephine Whitley, Grace Cranford, and Maria Ehringer, returning. Places to be filled from graduation are Wilma Morton, Hazel Maslin, and Elberta Ragsdale.

For travelling expenses and new equipment needed, the girls have collected \$9.00 from donations, and the Boosters' Club has offered to contribute more to this fund.

All games are to be played on a here-there basis. The following games have been scheduled so far:

Monroe.....April 18th
Kannapolis.....April 25th
Kannapolis.....April 19th
Kannapolis.....April 22th

Girls out for tennis this season are: Josephine Whitley, Grace Cranford, Josephine Beaver, Helen Russell, Ramelle Burleson, Custis Watson, Martha Ivey, Betty Ivey, Annette Steele, Maria Ehringer, Ticksa Senter, Frances Mann, and Barbara Crowell.

BOYS FORFEIT FIRST GAMES

The boys' practice, too, has been delayed by the condition of the courts, and because of this the first two games scheduled were forfeited.

A complete schedule is not yet available, but Albemarle opponents are to include Wadesboro, Monroe, Salisbury, Concord, and Kannapolis.

Coaching the boys' team for this year is "Smiling" Jack Tillotson.

Troy 5—Albemarle 2

In a game played at Efrid Park Wednesday afternoon the Trojans of Troy School defeated the Albemarle Bulldogs by the count of 5 to 2.

J. P. "Skin" Mauldin and J. W. "Lefty" Lisk were on the hill for the Bulldogs, while Brown was on the mound for the Trojans.

Albemarle 7—Mills Home 4

In a well-played game at Thomaville Tuesday the Bulldogs took the Mills Home of Thomaville for a mighty ride with a 7 to 4 decision in their favor.

Albemarle got a total of nine hits and Mills Home got four hits.

Concord 5—Albemarle 4

The Bulldogs lost a 5 to 4 decision to the Concord Spiders in Concord last Friday afternoon, April 5, although neither team got more hits than the other. The scoring was the result of loose fielding, indifferent playing, and slowness in going after the ball.

J. W. "Lefty" Lisk was on the mound for the Bulldogs, giving up only three hits. Mullis, Canupp, and Beaver were on the mound for the Caharus boys, dividing Albemarle's three hits among themselves.

Albemarle 8—Statesville 0

Gaining revenge for their defeat of the first game of the season, the Albemarle Bulldogs gave the Statesville Greyhounds a thrashing by the score of 8 to 0.

Troy 8—Albemarle 1

For their second game of the season the Bulldogs of Coach Canipe's traveled over to Troy to receive a whipping from the Trojans.

Statesville 2—Albemarle 0

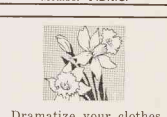

In the first game of the season the Statesville Greyhounds defeated the Albemarle Bulldogs by the score 2 to 0. J. W. "Lefty" Lisk was on the mound for the Bulldogs, and Blackwell was on the hill for the Greyhounds.
