

Seniors Complete Study of Macbeth

Eleventh grade English classes have just completed an extensive study of Shakespeare's *Macbeth*. Attractive notebooks and posters are on display in Miss Watson's room, giving vivid pictures of the great drama, along with an interesting collection of dolls dressed in the costume of the Elizabethan period and quite a number of hand-colored daggers. Included in this collection are several soap carvings.

One of the most outstanding pieces of work is a Globe theatre modeled by David Crump, showing the type of theatre used during Shakespeare's time.

Each student was assigned thirty lines of memory work, and for several weeks the mighty seniors have wandered aimlessly down the hall quoting lines from Shakespeare.

These exhibits will be on display for several days.

Cockerham-Gehring Announcement Made

Announcement was made Saturday night of the engagement of Miss Doris Cockerham to Mr. Eddie Gehring at a party given by Misses Powell and Thorburn and Mrs. William B. Granger.

The wedding will take place in June at the bride's home in Mount Airy. Miss Cockerham, a graduate from Women's college in Greensboro, is head of the commercial department in Albemarle High School. Mr. Gehring, since his graduation from Catawba college three years ago, has taught United States History in the High School.

WHO'S WHO

JOSEPHINE BEAVER

Smartness, dependability, energy, and capability are some of the many traits which place Josephine Beaver in Who's Who this month. She is a member of the National Honor Society and is council representative from her hometown.

"That's no joke!" is definitely her favorite saying.

"My likes," says Josephine, "are dancing, ball sessions, clothes and salads, while week-end homework and concerted people are the two things I don't like." Reading is Jo's favorite pastime, and "Gone With the Wind" is the best book she ever read.

Vivian Leigh, Ray Milland and Lew Ayres are her favorite movie actors.

"If I were given a million dollars, I'd go to New York, buy loads of new clothes, take the rest and have a big time," said Josephine.

Tennis and swimming are her favorite sports and she is expected to be one of the stars of the A.H.S. tennis team this year.

Josephine is known for her "pup" for three years, and is ready for anything.

She is still undecided as to what college she will attend, but next year Jo plans to come back to the twelfth grade.

BOB LIPE

Bob Lipe, tall, good-looking, with dark, wavy hair and a wonderful personality, is one of the most outstanding boys in the senior class. He is a member of the National Honor Society.

This year Bob is council representative from his hometown, a cheer leader, business manager of the A.H.S.-Society, and a member of the creative writing, mixed chorus and boosters' clubs. He was vice-president of his hometown last year and president of the photography club.

His likes are summer, peas, music and blue-eyed girls, but he doesn't like spaghetti and vamps. Swimming is his favorite sport.

Bob is one of the best dancers in school and says that dancing is his favorite pastime.

Tyrone Power and Joan Bennett are Bob's favorite movie stars, and he thinks Glenn Miller's orchestra is tops.

A member of the Albemarle High School band, Bob plays the clarinet, and will play a solo at the state music contest in Greensboro.

He has been a member of the H.Y. club for three years. Bob will be graduated from the eleventh grade this year and plans to enter State college in the fall, where he will take a course in chemical engineering.

Piano Pupils To Play In Contest

Margaret Anne Reap in the senior high school group and Mildred Reap in the junior high group will represent Miss Worsham's piano classes at the state music contest in Greensboro this week.

Samuel Andrew, who won first place in the contest last year, will play a private lesson with the celebrat-ed teacher, Edwin Hughes, who was judge of the contest.

This year Samuel will play over the numbers which make up the program for his private recital to be given on May 15, in the high school auditorium.

Recital To Be Given

On May 4 Eriean Glenn, another of Miss Worsham's pupils, will be presented in a graduating recital in the high school auditorium. She will be assisted by Miss Guy Propst, baritone.

More About Band And Chorus

"There Shall a Star From Jacob" by Mendelssohn.

Selections for the boys' chorus are "My Bonnie Lass, She Smiles," "Bottle and 'Armed-and-Swedish Folk Song arranged by Pitzer."

The girls' chorus will sing "Time on the Wing" by Moffatt and "My Soul, There is a Country," by Warrell.

The soprano and alto solos will climax the program on Friday. Willie Frances Cofford will sing "Bird's Song at Eventide" as her soprano solo and Viola Hudson will sing "The Night Wind," alto solo.

Chorus Enters Class A. Albemarle choral groups did not have to enter the district contest this year because of the record made last year at the state contest, placing them in class A. The boys' quartet, mixed quartet, tenor and bass solos received a 1 rating and baritone solo a 11 rating.

Rogers, Trexler Present New

The same cast that presented "Crossing" last year, Rogers, Trexler and Rembert, have presented another 3-act comedy next week on or tent.

"We believe this play will be a success. We have been working on it for the last week and have worked hard, but we do believe it will be with the students."

This play is a farce comedy as the first play in this group, with impersonations of Laurel and Oliver Hardy.

Proceeds this year will be used to help defray the cost of the athletic department.

Students Compete In Typing Contest

All students who take typing enter the State Business Contest which will be held May 24, 25, and 26.

Each individual's test was entered in determining the winners in such event as the Grand School Contest. There will be also individual winners. Students having the highest average speed will be awarded the highest prize.

The Grand School Contest will be held May 24, 25, and 26. The school having the highest average speed will be the one having the highest average speed.

A medal will be given to the individual student having the highest average speed. A medal will be given to the school having the highest average speed.

Sam Andrew, who averaged speed of 71 wpm, is slated to have a good chance of winning the medal.
