A. H. S. Bulldog Squad Gets Looking Over

As football seems to hold the main interest of most students during this season of the year, it might be interesting for us to take an inside look at some of the incoming players who constitute the Bulldog team.

LAFAYETTE BLACKWELL
Lafly will be out this year for his fourth year in football. He will again play wing back this year and his previous experience should make him a treat in any ball game.

DICK FOREMAN
This is Dick's second year at the spot position. "Sleepy" did a fine job last year and will probably be in the competition for All-Conference center this fall.

TED WALLACE
Ted, A. H. S.'s veterans of the right guard, while laying down his right arm in blocking back, where he is showing up exceptionally well.

JIMMY PECK
Jim may be a debut as an end on the varsity last year, and his aggressiveness on defense should be an asset to the squad this year.

ROBERT MORROW
"Knocker," octopus of the line, who puts everything into his playing, including vicious swinging of his arms and legs, is holding down left guard and is doing a very good job.

MAX MORTON
"Luffo," the 200 pound terror at tackle, who has displayed his spunk in going after his fourth letter in football, is trying to match kicks with "Knocker" Morrow, but in doing so turns the forward wall into a human dynamo.

JOHN LITTLE
Left flanker who is expected to make his debut this year on the varsity, is laying down his right jassman's mitt. John will also get his toe on the conversion.

ERNEST KNOTTS
Ernie, the substitute-charger from the tenth grade, tips the scales at 180 this year and is using his strength to a great advantage.

JOE LOWDER
Small, but swift guard is doing line as a running guard after his advancement from the midgeet team of last year.

FRED ALBRIGHT
Slick, rugged and tough, sun-armed and tough, Fred is expected to be back the Bulldog line this year.

HOOTCHIE MORGAN
Converted from end to backfield, "Hootchie" displays his physical technique in his running, making the line with great efficiency.

IM PEAVY
A newcomer to the high school this year, freshman Peavy is showing up well at tailback. He weighs 50.

LOYD SKIDMORE
A scat back up from last year's first team, Lloyd should do a lot of fine running and passing from his tail back position.

HAILEY GULLEDGE
A dependable wing back who was reserve last year. He is a talented blocker and can be counted on as a starter.

Yellowjackets Sting Bulldogs In Opener; Badin Watts To Furnish Opposition Today

Jackets Score Early In Game

The Albemarle Bulldogs dropped their opening game of the season to the Boyden High Yellow Jackets of Salisbury on Friday, September 20, by the score of 18 to 0.

Lightning bolts struck against the seemingly confused locals in the opening minutes of the first period accounted for all three tallies.

On the fifth play after Albemarle's first punt, the Jackets reached pay dirt. Taking the kick off the Bulldog 41, Dorsett made eight at tackle and a first down on the 31. After a pass had failed to score, H. Bowen bucked over tackle for 30 yards and a touchdown.

The ball changed hands twice and Morgan kicked out on the Albemarle 43. H. Bowen picked up a first down and Dorsett made four yards at tackle. H. Bowen then ripped a pass to Saebey in the end zone for the second touchdown of the game.

Albemarle then brought Luffin's back to its 26, only to lose the ball on downs. Morgan kicked out on his own 26, and Dorsett, running off tackle, threw a lateral to H. Bowen, who scampered over the goal for Boyden's final six points.

Foreman was the outstanding defensive man for the Bulldogs, while Rabe looked good for the Jackets.

Power City Favored In Annual Tit

Albemarle High School Bulldogs will meet the powerful Badin Watts on the local gridiron Friday afternoon at 3:30 o'clock.

Traditional rivals and closest competitors of the Bulldogs, the Badin lads are expected to put up quite a tussle before the final whistle is blown. Local fans are rather lax in their predictions as to who will win, although many are inclined to give Badin the edge.

Both teams are alike in two respects: they have new coaches and each has played one game, Albemarle losing to Salisbury 18-0 and Badin losing to Mt. Airy 6-0.

Sparkplugs of the Badin squad are Grady Morgan and James Coggins, veteran backfield pair, who are at their best this year.

According to Coach De Lotto, Albemarle players received much experience in the Salisbury game and should be performing at their best.

Varsity Club Has September Meeting

Dick Foreman was elected president and Ted Wallace treasurer at the initial meeting of the varsity club, which was held on September 6 at the high school.

The club was organized last year under the direction of Clyde Canine, who is now a member of the State Teachers College. The main purpose of the club is to promote interest in athletics throughout the school.

As supervisor of the various school teams, Coach De Lotto automatically becomes sponsor of the club, which consists mostly of lettermen. Football will be the main topic for discussion during the fall season.
